CONSTITUTION AND BY-LAWS

PREAMBLE

We, the messengers of Baptist Churches of Columbus County, do hereby propose to establish and maintain the order and rules of a District Association in conformity to the following plan:

ARTICLE I. NAME

This organization shall be known as the Columbus Baptist Association.

ARTICLE II. OBJECTIVES

The objectives of the Association shall be to elicit, combine, and direct the energies of Columbus Baptists in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the North Carolina Baptist State Convention, and the Association itself, to promote fellowship and good-will among the Churches; and to devise and promote measures for increasing the harmony, intelligence, and spiritual powers of the churches.

ARTICLE III. MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Baptist Churches in Columbus County that shall be represented at its regular or special meetings by duly elected messengers in the following ratio: (1) Three (3) for the first one hundred members or fraction thereof, and one for each fifty additional members, but provided that no church may have more than 10 messengers. (2) All ordained ministers who are serving as pastor within the Association, Associational Officers and Committee members.

Section 2. Messengers shall be members in good standing with the church they represent, and their names must appear on the letter from their church to the Association to entitle them to be seated as messengers.

Section 3. The Association shall be sole-judge of its membership, and may reject or receive churches applying for membership therein at its pleasure, provided that the churches so received shall come under the watch-care of the Association for a period of one year. During this period such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting or holding office. At the conclusion of this period, should no valid objection be raised, they then become members in regular standing by action of the Association.

Section 4. The Association shall encourage the organizing of new Baptist Churches within Columbus County under the leadership of any pastor, Church, Churches, or interested persons of the Association. If a new church contemplates being received into the fellowship of the Association after its organization, those who are to compose its charter membership and those leading in its organization are urged to seek the counsel of the Executive Promotion Committee and shall proceed with the organization only after approval is given.

Section 5. A Church seeking admission into the Association shall

present its application to the Committee on Credentials, and furnish the Committee with such information as it may require about the church. The Committee may then recommend that such Church be received under the watch-care of the Association for the period of one year from the date of that Associational Meeting.

Section 6. The Association may at any time dissolve connection with any church that becomes disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Section 7. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE IV. POWERS AND PREROGATIVES

The Association shall have no power whatsoever to infringe upon the right of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectively promote the causes of Christ throughout the world.

ARTICLE V. DUTIES OF CHURCHES

It shall be the duty of each church to appoint messengers, to insist upon their attendance at Associational meetings, to contribute toward the expenses of the Association, and to send annually a report to the Association which gives information requested in forms provided by the Associational Clerk.

ARTICLE VI. ORGANIZATION

Section 1. The general officers shall be a Moderator, Vice-Moderator, Clerk, Assistant Clerk, Treasurer, Historian, and three Trustees.

Section 2. Additional officers shall be the Associational Sunday School Superintendent, TU Director, WMU President, Brotherhood President, and others as needed, including a full slate of organizational officers as recommended by the Educational Division of the Baptist Sunday School Board.

Section 3. The nominating committee shall recommend the officers to the Association. However, the Association reserves the right to make other nominations for any and all officers and committees.

Section 4. The offices of Clerk and Treasurer may be held by the same person.

Section 5. The general officers shall be elected at each annual session and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session, unless removed for cause, or until their successors are appointed.

Section 6. The term of office for Moderator and Vice-Moderator shall not exceed two years in succession. All other officers may be re-elected to succeed themselves in office at the pleasure of the Association.

Section 7. All officers and committees shall be members of churches affiliated with the Association.

Section 8. The term of office for all members of committees shall be for one year.

Section 9. Vacancies in these offices or committees that may occur between the annual sessions of the Association, shall be filled for the remainder of the Associational year by the Executive Promotion Committee.

ARTICLE VII. DUTIES OF OFFICERS

Section 1. It shall be the duty of the Moderator to preside when the Association is in session; and serve as chairman of the Executive Promotion Committee.

Section 2. It shall be the duty of the Vice-Moderator to preside in the absence of the Moderator and to assist him in every way possible, and to succeed to the office of Moderator if and when during his tenure the office of Moderator becomes vacant.

Section 3. It shall be the duty of the Clerk to keep an accurate record of the meetings of the Association and prepare Minutes to be distributed as soon thereafter as possible. He shall serve as secretary of the Executive Promotion Committee.

Section 4. It shall be the duty of the Treasurer to keep an accurate record of the money paid into his hands, pay all bills as they come due, and to make an annual report to the Association. He shall make a quarterly report of the financial condition of the Association, to each pastor, Chairman of Deacons, Church Treasurer, and the Executive Promotion Committee.

Section 5. It shall be the duty of the Historian to collect minutes of each session of the Association and have these bound into book form every ten years, and to assist in any way possible in keeping records of the history of the Association. He shall submit a short history of two different churches at each annual meeting, to be incorporated into the Associational minutes each year until all churches have a written history in the minutes. The churches shall be taken in alphabetical order; any new church coming in shall be put at the bottom of the list.

Section 6. It shall be the duty of the Associational SS Superintendent, TU Director, WMU President, and Brotherhood President to lead in the promotion of the activities of the organization of which he or she is head, and to preside over the meetings of the organization. These officers shall bring a report of their work to each quarterly meeting of the Executive Promotion Committee.

Section 7. It shall be the duty of the Trustees to hold in trust all property of the Association.

ARTICLE VIII. RULES OF ORDER

Section 2. The method of voting shall be by a show of hands, or by the will of the body.

Section 3. The simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided that any member may at any time call for a written ballot or roll call on doubtful issues.

Section 4. A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

Section 5. A question having been decided twice by vote in the same attitude at a regular session of the Association shall not be reintroduced except by consent of the body, as expressed by a majority vote.

Section 6. At least one-fifth of the messengers enrolled shall be necessary to constitute a quorum.

ARTICLE IX. TIME OF MEETING

Section 1. This Association shall hold its annual meeting on Thursday and Friday before the fourth Sunday in October. However, in the case of some unavoidable circumstance that makes a change in the date of the annual meeting necessary, either the Associational Council or the Executive Promotion Committee, preferably the Executive Promotion Committee, shall have the authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks in advance of the new date for the annual meeting.

Section 2. In the event of some emergency that makes a call meeting of the Association necessary, either the Associational Council or the Executive Promotion Committee shall have the authority to call for a special meeting of the Association, provided that a notice of the time and place and purpose of such a call meeting shall be mailed to the Pastors and Clerks of the Churches of the Association at least two weeks in advance of the time set for the call meeting.

ARTICLE X. THE ASSOCIATIONAL YEAR

The Associational year shall begin the first of October and close the last of the following September.

ARTICLE XI. THE EXECUTIVE PROMOTION COMMITTEE

It shall make a full and complete report of its activities at the next Associational meeting. It shall meet each quarter at the time and place agreed upon by the committee. (At least one-fifth of the committee shall be necessary to constitute a quorum.)

Section 5. This committee shall work with the Associational Missionary in studying carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the committee shall work out an annual Calendar of Activities for the Association to be presented to the Executive Promotion Committee, to run concurrently with the Calendar year.

ARTICLE XIII. STANDING COMMITTEES AND DUTIES

Section 1. Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees; Committees on Resolutions, Time-Place-Preacher; and any other committees authorized unless otherwise provided for. This committee must not succeed itself and should be composed of 5 members from different churches.

Section 2. Nominating Committee. The nominating committee shall be composed of at least 5 members. It shall nominate all officers of the Association. It shall submit its report at the meeting of the Annual Association. This committee shall submit the names of SS Superintendent, TU Director, Brotherhood President to the Executive Promotion Committee at its last meeting before the annual

Section 3. Program Committee. The duty of this committee is to plan the program for the annual meeting of the Association and bring it to the Executive Promotion Committee for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

Section 4. Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget for a well-balanced program of work, and should be prepared to bring to the Association in annual session a proposed budget. This committee should also be prepared to advise with the treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the committee to see that an audit of the treasurer's books be made following the close of the Associational year and presented to each annual meeting of the Association. The Treasurer and chairman of Missions Committee shall be part of this Committee.

Section 5. Committee on Credentials. It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Association concerning their being orthodox in faith and co-operative in spirit, to report to the Association in annual session their findings and recommendations concerning the acceptance or rejection of such churches. It shall be the duty of this committee to handle all credentials pertaining to the Association.

REPORTS

Report of the Executive Committee

C. E. Huggins

The Executive Committee of the Columbus Baptist Association held four meetings during the year.

At the first meeting, November 22, 1960, a report was read by the Missions Committee stating that \$1,500.00 had been granted by the State Convention for the purchase of a new lot for the West Whiteville Church. Also a motion was made and carried that the Chairman of the Finance Committee meet with the Executive Committee at its quarterly meetings.

The second meeting of the Executive Committee met April 18, 1961. Discussion was held concerning the availability of places for the R. A. Camp to be held in the future.

At the third meeting July 7, 1961, Mr. Charles Bullock was elected Assistant Camp Director.

The Executive Committee nominated the following to serve on the Committee on Committees: Willard Wright, Alpheus Cox, and Malcolm Bordeau for the 1961-62-year.

The committee also nominated the following: Sanky Robinson, Jack Hooks, Tom C. Faircloth as a committee for the purpose of studying the wording of the Constitution. and where needed to simplify and condense it. They are to bring a written report the first day of the Associational Meeting.

The proposed budget for 1961-62 was presented and unanimously approved to be recommended to the Association.

At the final meeting October 9, 1961, the Treasurer read a letter from the Relief and Annuity Board which requested that the Association continue to pay its part of the Relief and Annuity payments even though we were temporarily without a Missionary. Action on the matter was tabled until another meeting. The Treasurer also reported 34 churches had supported the Association this year. This report was adopted.

Report of the Missions Committee

J. B. Jones

Your Missions Committee is happy to report that we feel we have had one of the busiest years that we have had since we have been on the committee. The committee has met regularly, almost every month, the missionary to council with him and direct the mission program. Also, many individual conferences have been held throughout the year.

Again, as in the past, we are grateful to the churches who have been so prompt in their support of the work. May we take this opportunity to say "thank you" publicly.

Concerning the matter of Finance: As chairman of the Associational Finance Committee, I feel there is a definite need for this work to go on. However, as you know our Missionary, Mr. Henry Powell, resigned this past July. The Missions Committee along with the Executive Committee felt it would be better to wait for the Associational Meeting and let the Association decide if they thought it wise to continue, as we were some \$700. behind in our giving.

Secondly, if we are to continue this work we must set some kind of pattern in our giving. The Missions Committee has worked out and sent to all the churches a plan which we feel is one of the best and we hope the Association will seriously consider it.

The Missions Committee thanks the Association for the opportunity to serve them and we look ahead for a progressive Associational ministry in our churches in the days ahead.

Associational Missions

Henry Powell

Beginning in February, 1959, and continuing until July 15 of this year, it was my very happy privilege to serve as the Associational Missionary of the Columbus Baptist Association. It was with the greatest reluctance that we left this position to come to the Blue Ridge Association in the western part of the state.

While serving in the Columbus, it was our privilege to visit in every church in the Association. In the 2 years 5 months that we were there, I visited in every church at least 3 times. There were 3 churches visited only 3 times; the majority were contacted more than that. I appreciate more than words can express the very cordial way that I was received by the people in all the churches. I preached in 42 of the churches; taught study course (Vacation Bible School

of week's duration) in 22 of the churches. In addition, taught Sunday School classes, Mission Study in others. There were many times that I could not answer many requests for service because of appointments already scheduled. It was my policy always to serve the churches on a first-come-first served basis. I regret very much that I was not able to be several people in several different places at the same time.

I feel that I would not be fair if I did not give due credit to the very loyal and faithful work of the Missions Committee. The Committee met regularly and faithfully. In addition, there were many hours of conference with Mr. J. B. Jones, the Chairman of the Committee (I think that I became one of the most regular visitors to his office in Chadbourne). Much credit is also due to the work of the officers of the Association. I wish that I could call them by name and thank them personally for all that they did to help in the work.

To me, February 15, 1959, to July 15, 1961, was a memorable 2½ years. We cherish many wonderful memories of the fellowship there. We pray God's richest blessings on the work of the Columbus Association. We hope that we were able to make some little contribution to its progress in the work of the Lord. If we did, the honor and glory must go to God. the credit to all those faithful workers who helped to make it so.

Report on Evangelism

Ellis L. Marks

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our association is the best launching place for new frontiers in evangelism and missions.

Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our association participate in the "Baptist Jubilee Revivals" in 1962 through 1964. Our dates are as follows:

1962 March 11-25

1963 March 10-24

1964 March 8-22

3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.

4. That all churches make full use of the revival Plan Book for 1962, 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the church councils.

5. That our association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next Clinic is December 15, 1961.

6. That our association recognize the elected associational officers as the evangelism committee, the Chairman of Evangelism to be the chairman of this committee, and that we pledge our wholehearted cooperation to this committee.

7. That our association send the Chairman of Evangelism to Ridgcrest for the annual conference on Evangelism during Home Mission Week.

Sunday School Report

William A. Alexander, Superintendent

"Outreach for the Unreached"—this was the theme of the Sunday School during the year 1960-61. The emphasis involved in this theme has its roots in the basic mission of a church. A church's commitment to the idea of outreach for the unreached through the Sunday School will bring in many people for Bible study, and will provide a church the greatest opportunities of producing fruits in evangelism, stewardship, missions, and Christian growth.

The major task of individual Christians and churches has not changed since Jesus first commissioned his church to take the gospel message to every creature around the world. We are in the midst of multitudes and nothing short of an all-out conquest for people is adequate for churches today. The Sunday School is the spearhead of advance that places the church in contact with the unreached masses.

The year just past has been one of advance and progress in many areas of Sunday School work in the Columbus Association. During most of the year we have had a full slate of Associational Sunday School workers who have contributed much toward the success of the conferences, clinics, and other meetings of the year. Perhaps the most significant and helpful meetings were the Group Training Schools held in February, which were well-received and well-attended in each of 3 areas of our Association. "Action Night" was the climax

of the year's work and also served as a kick-off for the work of the new church year. Rev. Worth C. Grant, missionary to Japan, was guest speaker, and gave a very challenging and inspiring message.

From the church letters of the 41 reporting churches were gleaned the following statistics: total Sunday School enrollment—9,264; average attendance—5,409; number of Vacation Bible Schools—33; V. B. S. enrollment—3,193. In four Vacation Bible Schools a total of 22 professions of faith were reported.

Indications are that all the churches were low in the number of training awards earned. Since the quality of the teaching and the efficiency of the Sunday School depends much upon the training of the leadership, it seems that this is an area for much emphasis in the year before us. The teacher must teach pupils, not lessons; he must meet spiritual needs, not cover a lesson; he must teach creatively, not transmissively. To do this the teacher must take advantage of every training opportunity. Two weeks of training which should be observed in every church each year are January Bible Study Week and Preparation Week. May we emphasize them this year.

John T. Sisemore said, "The desire to reach more people is more than a craze for numbers; it is a passion for souls. Every right-thinking person knows that it is always the will of the Father to reach more souls with the gospel." Since we believe this is true, let us faithfully help our Sunday Schools to "spearhead for advance" in 1961-62.

Training Union Report

Edgar Hinson

As we look back on our Baptist Training Union for 1960-61, we find that everything was not accomplished that we had hoped and planned for. We had hoped to have a BTU in every church, also more people in our local unions.

We find in the report from our State Secretary that some of our churches have reported an increase and some a decrease. Directors and Pastors need to check their records and tabulate increase and decreases.

"M" Night had an attendance of 419.

Our Association had 3 participants in the Regional Tournaments in Wilmington. Many of our directors also attended.

The "Youth Convention" which is a newly sponsored Training Union Project was held in Hickory, N. C. 48 of our Intermediates and Young People from 12 churches in our Association attended this helpful and inspiring convention. Except for the "host Association" we had the largest number attending. The "Youth Convention" will be held May 4-6 this year with the place to be announced.

Our Associational "Youth Night" Program was enjoyed by all present. The weather was very rainy and stormy which gave us opposition. However there were 155 present.

Now let's look at the year ahead and the goals our Associational officers have set forth to accomplish

1. Five new Training Unions in the Association.
2. 10% or 342, increase in present enrollment.
3. Every new church member enrolled in Training Union.
4. Encourage all churches to conduct classes for new church members using the book "Your Life and Your Church."
5. 250 Study Course awards in Category 18.
6. 500 attending "M" night on December 4.
7. 300 attending the "Youth Night" program next summer.

We the Associational Officers for 1960-61 hope that each individual church and directors will work toward these goals and help the officers for 1961-62 accomplish the task that needs to be done.

This year 34 of our churches have reported an enrollment of 2744 with an average attendance of 1546, or 56 per cent of our enrollment.

To the churches, that have been host for one of our Associational meetings, and everyone that has taken part in any way; we the Associational officers for 1960-61, "Thank You."

1961 Report of Woman's Missionary Union

Woman's Missionary Union watchword for 1960-61 is found in II Cor. 5:14 "For the Love of Christ Constraineneth Us". When Paul spoke of the "love of Christ" he meant Christ's love for us and not our love for Christ. As these words of Paul have been studied this year by women throughout the world, there has been a renewed commitment to a world mission task. This commitment reached us here in Columbus Association as we realized that the work of the Lord was not dependent upon our feeble love—feelings which run hot and then cold—but upon the all embracing love of God—possessing us—making us strong and able to endure. Thus completely hedged about by the irresistible, consuming, absorbing power of His love, we have gone about the task of pulling out the weeds and thorns that stunt and destroy the growth of our organization. We have attempted to stir up and fertilize the soil that the good seeds sown might have every chance to grow, ripen and bear fruit for His Kingdom.

We thank God for a fine group of dedicated women who have helped so faithfully in carrying out the Associational WMU program. Eleven Associational meetings were held during the year with approximately one thousand people attending from 31 churches.

Our emphasis for the year was leadership training and stewardship. Officers of the Associational WMU conducted six meetings offering the course of study to obtain WMS leadership card and youth cards of accreditation. As a result of this effort 70 leadership cards were issued throughout the association. The fruits of this labor were obvious in the recent annual reports. For the first time we have a society applying for the highest recognition in WMU—that of Honor WMU. Four other societies are applying for Approved recognition. Among our youth organizations there were 14 applications for Approved; 5 for Advanced; and 6 for Honor recognition.

Our Association "Day of Stewardship" tried for the first time this

year was a rewarding success. We hope this will become an annual feature with all the church organizations joining us in a day of rejoicing and thanksgiving as we remember God's goodness to us—a day of self-examination and re-dedication to the responsibilities and obligations these blessings place upon us.

Our heartfelt gratitude to you Pastors for your support and encouragement and to you husbands for your willingness to share your wives with the cause of the missions.

Compelled by the wonderful love of God, the members of the WMU, auxiliary to the Columbus Baptist Association, will continue to seek and to follow the will of God that "His light might shine" through us to the lost millions of the world.

Respectfully submitted,
Ruth Whitley, President
WMU, Auxiliary to
Columbus Baptist Association

Brotherhood Report

The Associational Brotherhood has not reached all of its objectives but is has accomplished some of the things that symbolize a brotherhood worthy of the name.

A workshop, formally known and referred to as a clinic, was held at the First Church in Whiteville. The state Executive Secretaries of the Brotherhoods and the Royal Ambassadors assisted the associational officers with the teaching. This meeting was well planned, well organized and well attended.

A Royal Ambassador Conclave was sponsored by the Associational Brotherhood and promoted by our Associational Royal Ambassador Leader, Reverend Clyde Yates. Hallsboro Church was the host. This meeting was well planned and carried out. There was a place in our plans for more meetings of this kind but our funds were too limited to permit them.

The First Church of Whiteville was host to the Area Three Brotherhood Convention. Thanks to the host church for making it possible for this meeting to be held in our association.

Promotional work was done by the associational officers when their services were requested. The Associational Brotherhood belongs to the Churches and Church Brotherhoods of the association. Please use and support it.

Respectfully submitted,
P. P. Renfrow
Associational Brotherhood Pres.

Report on North Carolina Baptist Hospital

Leo F. Hawkins, Hospital Representative

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics — 78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

Some of the Newer Services

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray

Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

The Most Urgent Needs

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients.

North Carolina Baptist Homes for the Aging

By Tom Collins

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes—Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of \$275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might

meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. *Twenty-six* new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 5% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the lovingkindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

William A. Poole, General Superintendent
North Carolina Baptist Homes for the Aging
Reynolds Park Road, Winston-Salem, N. C.

Report of Baptist Children's Homes

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and

church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per cent
Cooperative Program	32 Per cent
Once a Month Offerings	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children, love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is \$400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading *Charity and Children*. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

Report on State Missions

Gene Walters

There are approximately 4,600,000 people in the State of North Carolina. About 2,100,000 of these above the age of eight years are affiliated with some kind of church. About 2,000,000 above the age of eight years are unchurched. Perhaps 25 percent of the affiliated church members are unsaved; then more than 60 percent of the people of North Carolina above the age of eight years are lost. North Carolina, therefore, is not half Christian.

Our people need to be *taught* and *trained*. Therefore, many of the significant phases of our State Mission work are promoted through the Sunday School, Training Union, Brotherhood, R.A.'s, Church Development, and Church Music Departments. Over 2,800 Vacation

Bible Schools were reported for 1960, giving \$50,000 to World Missions.

Since 60 percent of the people in North Carolina are lost, they need the Saviour. State Missions provide a Department of Evangelism under the capable leadership of Dr. Julian S. Hopkins that seeks to inspire pastors and churches to evangelize their communities. We reported 30,337 baptisms in 1940, as against 34,833 in 1958.

A more highly developed and intelligent congregation demands a better trained pastor. Through State Missions we support our schools of higher learning. Last year 160 pastors received better training at Fruitland. Refresher courses are offered at Mars Hill each year. Approximately 500 attended during this week of Christian study and fellowship last summer.

Other areas of need constantly challenge the resources of State Missions: namely:

1. Request for lot and pastoral aid in 1961 amounted to \$170,000.
2. The Christian Action League (formerly, Allied Church League). This organization is doing a tremendous job in helping to produce a sober and sane citizenship in North Carolina.
3. The silent people, 5,000 of them beckon to our care, love and concern. Rev. Jerry Potter is working in this area supported by State Missions.
4. Caswell Assembly and Fruitland Camp are supported by State Missions. Approximately 8,000 people attended these assemblies last summer. The organizations of the Woman's Missionary Union had hundreds of women and young people to attend State and Associational W. M. U. Camps, Mission Weeks and institutions.
5. Other ministries are summer student work, Ministry through service institutions, and Separation of Church and State, and Seminary Extension Centers.
6. State Missions invests \$65,000 annually in the development of Associational Missions.

We also have supported by State Missions the Department of Church Architecture. This department serves many churches through counsel and guidance in planning beautiful and adequate churches and educational buildings. Tens of thousands of dollars are saved by Baptist Churches each year because they use the services of this Department.

Our Brotherhood and R. A. work are great departments of service to men and boys of our churches. Here we have an unlimited ministry in undergirding the total church program.

Our church and denomination leaders of tomorrow need to be taught and trained in co-operation and loyalty today. State Missions promote a Baptist Student Program among 24,000 sons and daughters from Baptist homes who are attending the many colleges, universities, business schools, and medical and nursing schools of our state. These young men and women constitute a great potential leadership for all areas of tomorrow's world. The churches will

need the strength and service of that leadership. Two years ago the Convention purchased a beautiful site for a student center at the University of North Carolina where we have 2,000 Baptist students; and one this past year at Greensboro, near Woman's College. Now one at Duke is being completed.

Report on Foreign Missions

Mrs. Ray Wyche

With the appointment of 137 new foreign missionaries in 1960 a high peak of missionary expansion was reached. At the beginning of this year there were 1,480 missionaries under Foreign Board appointment serving in 45 countries. The objective of the Board is to have by the close of 1964, a minimum of 2,000. This year's goal is an additional 160 to carry the Gospel to foreign lands. With this increase, the missionary section of the 1962 operating budget will need to be expanded by \$700,000 and an additional \$400,000 will be necessary for enlarged programs of work.

There are three main divisions of responsibility in financing foreign missions. First, missionaries must be sent and supported. Second, programs of work must be supported and developed. Third, resources for capital expenditures must be available. The importance of buildings for churches, schools, hospitals, seminaries, publishing houses, good will centers, and missionary residences can hardly be overstated. Each year after careful consideration and deleting of all items of less than utmost importance, recommendations are sent before the Foreign Mission Board. These always exceed funds available by a minimum of \$3,000,000. The Board looks to the Cooperative Program and the Lottie Moon Christmas offering for financial resources for worldwide missionary labor.

God continues to move many hearts to volunteer for missionary service. Because financial reinforcements must keep pace with advance in missionary personnel, it seems clear that He continues to speak to hearts concerning the sending of these.

More clearly than ever the increasing urgency of the missionary task can be seen. Baptists must bring to this enterprise ever-expanding resources of lives, money, and spiritual power through prayer and faith.

Dr. Baker James Cauthen, executive secretary of the Foreign Mission Board, says: "The task of worldwide witness is a personal matter. Each individual stands responsible to his Lord as he responds to the Great Commission.

"It is a personal decision that takes him to the mission field.

"It is a personal decision that determines the scope of his prayer life.

"It is a personal decision that determines how liberally he will give.

"It is a personal decision that leads him to place the proper stress upon world missions in preaching, teaching, and financial recommenda-

tions in his church."

The Great Commission waits on personal decisions.

Report of Baptist Jubilee Advance

Annie Mae Hooks

In the year 1813, American Baptists found themselves in a most unusual situation. Three young missionaries were in India, having been converted to the Baptist faith on board ship as they crossed the oceans. So, the Baptists of America found themselves in the Foreign Mission business, not of their own choosing but because of an unusual turn of events.

But you know Baptists. They have always proven themselves equal to any circumstances in which they find themselves.

In May of 1814 they met to organize what was later known as the tri-ennial convention.

As we approach the year of 1964 we come to 150 anniversary of organized Baptist Mission work. Much has happened since 1814, many difficulties have been forced. Many victories won and much progress made.

The years 1959-64 have been designated as the period of observance of this missionary 150th anniversary— known as the Third Baptist Jubilee Advance.

The 1961 theme is "Stewardship and Enlistment." For 1962 there will be a special emphasis on church extension, new churches and missions. A goal of 8,000 has been set. In 1964 the climatic Jubilee Celebration when the Baptists of all the North American Continent will gather in fellowship in Atlantic City.

Closely related to the Jubilee Advance is the 30,000 movement directed by Dr. C. C. Warren of Charlotte. Southern Baptists hope to climax the Jubilee Advance in 1964, by having organized at least 10,000 new churches and 20,000 new missions.

This strengthening of the home base will not only minister to the needs of our own people, but will also strengthen the home base that we as Southern Baptists may continue to expand our World Mission Program.

Report on the Cooperative Program

C. E. Williamson, Sr.

The Southern Baptist Convention was organized at Augusta, Georgia, in 1845. At that time we had very few institutions of any kind. But in the 115 years of Southern Baptist Convention history we have made gains that make us one of the largest missionary denominations in the world.

(1) Six seminaries enrolling more than 6,100 students.

(2) Thirty senior colleges valued at over \$200,000,000 and enrolling more than 47,000 students.

(3) Thirty-three junior colleges, academies and Bible schools valued at over \$40,000,000 and enrolling more than 14,000 students.

(4) Forty hospitals valued at approximately \$147,000,000 with about 11,300 beds.

(5) Thirty-four children's homes caring for nearly 6,000 boys and girls.

(6) Approximately 3,500 missionaries on home and foreign fields.

For the past thirty-five years Southern Baptists have supported these causes through a mission plan that enables each object to get its just part in the quickest and most orderly way. This mission plan is called the Cooperative Program.

Historically the Cooperative Program is an agreement between the Southern Baptist Convention and each of the states of the Convention.

It is a plan for doing mission work. It combines all of the resources of Southern Baptists into an economical organization for carrying out the commission Jesus gave us to go into all the world. It is a channel through which our offerings flow to the world.

The Cooperative Program was finally adopted as a plan at Memphis, Tennessee, in 1925. In the years that followed, an ideal of fifty-fifty was adopted—50 per cent remaining in the state for the support of the state institutions and 50 per cent to Southern Baptist Convention agencies. The ideal has not been achieved as yet. On an average in 1959, 36.4 per cent of these Cooperative Program Funds were sent to the Southern Baptist Convention agencies and 63.6 per cent was kept in the states.

Paul said, "Let all things be done decently and in order." (1 Cor. 14:40) Paul was interested in the maintenance of harmony, the elimination of waste, and the efficient management of every problem. The appeal is a good one today.

The agencies and institutions are supported according to need. Formerly, the causes with strong emotional appeal got the most money. Others, just as important but less colorful, received less than their share. Now all are studied by committees, and recommendations are made to the Convention to assure equitable and just support.

The Cooperative Program provides an economical collecting and distributing method. Baptists are good we have learned that by keeping funds together we can keep administrative costs down.

Prior to the adoption of the Cooperative Program, budgets for the mission boards, schools, and other agencies were unpredictable. And because they never knew until the end of the year how much they would receive, the leaders responsible would often find their agencies in debt. Frequently buildings were erected and services expanded on the basis of promises that never materialized. Today the agencies know at least a year in advance what they may expect.

Paul's appeal that "all things be done decently and in order" certainly applies in the matter of Baptist churches working together.

The nearly thirty-two thousand Southern Baptist churches are stronger when they pool their efforts behind one drive than they could ever be with each working in its own way.

Southern Baptist progress since 1925 is a thrilling story. While other denominations have lost ground we have doubled in most areas of our life.

The Cooperative Program helps my church. It helps my church to witness to the unity that we have as Baptists. Nine and one-half million Baptists working together to win the world to Christ through thirty-two thousand churches is much more effective than scattered Baptist churches working alone.

My church may be located in a mountain-bound, rural community in the East. Our offerings to missions may be small but through the Cooperative my church is as much a part of a world enterprise as the largest churches.

One of the mysteries of giving is that it strengthens the giver. When through the Cooperative Program one gives to the world, he receives a part of the world back into his life.

The individual Christian is responsible for his share of the Great Commission. I am told, "Go ye into all the world" (Mark 16:15). But perhaps I cannot go in person. The Cooperative Program will help me to go through my gifts.

Through the gifts I make to the Cooperative Program I can teach in a seminary, preach in the deserts and the mountains, talk to Africans and Indians, sit beside the suffering in hospitals, and care for orphans.

Part of what I give will be bearing fruit in some Baptist mission, church, or orphanage a hundred years from now.

It helps me to demonstrate on a world basis the Christian principle of sharing. Christ's command was to go "into all the world."

We can always think of the Cooperative Program as the arm of God reaching out to a needy world. Some uninformed church members whose vision is not like our Lord's world-wide in scope and eternal in reach, sometimes try to discredit the Cooperative Program. This is wrong, for surely God has shown his power to save the lost and to advance his forces through this mighty plan.

We can see to it that our church increases the percentage of its budget going to the Cooperative Program. This is one of the most important things to do. We must never spend too much on ourselves. We must think of the program in terms of "others."

We can remember that whatever our gift, God will add more to it to accomplish his work. God's grace is abundant always in full supply to his children. If ye give our best we will discover that God is giving much more to win the world to himself.

Student Union Report

Rev. Wiley Rutledge

In July, 1959, G. Kearnie Keegan, then secretary of the Student Department Baptist Sunday School Board, appointed a group to study the philosophy, objectives, terminology, and scope of Southern Baptist Student work programs.

Several sets of objectives have been formulated by the groups,

and two sets of objectives were presented to approximately two hundred state student secretaries and local BSU directors at a workshop in Nashville, July 24-28, 1961. Though each set is still considered very tentative, a progress report is given here on the objectives regarding students and faculty members. These would represent the ultimate objectives of the Southern Baptist Program of Student Work:

"The basic objective of the Southern Baptist Program of Student Work is to win students and faculty members to faith in Christ as Saviour and to deepen their Christian understanding and commitment through: 1. Responsible church membership and denominational understanding and participation. 2. Worship and devotional experiences. 3. An understanding of and participation in Christian world missions. 4. Study programs of Biblical faith and Christian life. 5. Understanding and acceptance of Christian stewardship principles. 6. Examination of academic disciplines from a Christian perspective. 7. Training for Christian service throughout their lives. 8. Opportunities for Christian fellowship."

The staff of the S. S. Board's Student Department has stated its objectives:

1. Discover, develop, interpret and promote program designs for the various types of church and campus situations.
2. Discover, develop, and promote an adequate weekday study program.
3. Develop and produce a magazine and leadership, study, and promotional materials as needed.
4. Educate Baptist youth, their parents, and leaders as to the role and functions of the BSU.
5. Inform Southern Baptists of the importance, needs, problems, program, and progress of the program of student work.
6. Provide a channel of information to college campuses for the programs and emphases of the church educational organizations and the denomination.
7. Promote the maximum enlistment of students in denominational activities.
8. Assist in planning and promoting the construction and use of student centers.
9. Assist in organizing new Baptist Student Unions wherever possible.
10. Assist in recruiting leadership for church and denominational service.

Home Mission Highlights

Mrs. V. R. Burroughs, Sr.

A major share of the personnel and resources of the Home Mission Board are used in 30 states of the northern and western sections of the nation. "We have 2,335 churches in these states where we had only 79 in 1940," Courts Redford, executive secretary of the board, announced. "Our Missions Division spends more than 62 per cent of its budget in this work."

The growth of new churches and missions has been accelerated by the 30,000 Movement, a denominational effort to start 10,000 churches and 20,000 missions by 1964. The latest report by C. C. Warren, director of the movement, showed 11,817 started by January 1, 1961.

Financial undergirding for church extension has come through

a strengthening of the mission board's church site fund, a waiving of interest for 2½ years on site loans, and an allocation of \$250,000.00 from the Annie Armstrong Offering in 1961 to the Church Loans Division.

The combined efforts of the denomination, led by the mission board, will be on church extension in 1962, with goals to start 6,000 churches and missions. This is the year's emphasis of the Baptist Jubilee Advance. To begin the big effort, more than 800 student missionaries were enlisted in 1961 and laymen are giving vacations and paying their own way to help start missions.

Hawaii Baptists have asked the Evangelism Division for assistance, and other home mission programs will be started on these islands when requested. An associational missions program will probably be first. A survey of Puerto Rico is being made by the Home Board of needs and opportunities among the island's 2½ million inhabitants.

Despite limitations of travel between the United States and a tense situation in parts of Cuba, Baptist work grows on the island. Revivals in the four provinces where Southern Baptists sponsor work resulted in 5,116 conversions, and gifts to the churches increased by 20 per cent to \$210,649.00.

Detroit was allotted \$100,000.00 for loans with which to purchase sites and buildings in the "Big Cities" program. The city joined Chicago, New York, San Francisco, and Seattle as areas needing special efforts in financing new churches and missions.

C. E. Autrey, director of the Division of Evangelism, has given a new emphasis to personal soul-winning, and continues to stress year-around evangelism. The division has promoted the Baptist Jubilee Revivals, an associational plan of simultaneous evangelistic crusades. Baptisms reported by the churches of the Convention totaled 386,469.

Six hundred and sixty-four Southern Baptist ministers serve as chaplains for the military, institutions, and industry in the United States. An additional 768 are commissioned in reserve forces, student programs, or the National Guard, according to George W. Cummins, new director for the Chaplain's Division. The Chaplain's Division reported 14,053 professions of faith.

A home mission budget in excess of \$4 million (60 per cent from the Cooperative Program and 40 per cent from the Annie Armstrong Offering) supported 2,035 missionaries during the past year, the largest number ever employed in mission work in the United States, Cuba, and Panama. These workers reported 51,463 baptisms.

Despite a record force, urgent personnel needs were announced by Glendon McCullough, personnel secretary, for Good Will Centers, Japanese, Russian, Spanish, and Italian work. "We need more than 270 workers now to fill requests, some vacant for two years because qualified personnel have not been found," he said.

Columbus Baptist Association Addition Oct. 1955 to Oct. 1961

Reports at the 1961 annual session showed that total membership stood at 11,361 and total gifts for the year were \$476,273, an increase of over \$10,000 over the previous year.

On July 15, 1961, our Associational Missionary, Henry Powell, resigned after serving 2½ years.

CONSTITUTION AND BY-LAWS

PREAMBLE

We, the messengers of Baptist Churches of Columbus County, do hereby propose to establish and maintain the order and rules of a District Association in conformity to the following plan:

ARTICLE I. NAME

This organization shall be known as the Columbus Baptist Association.

ARTICLE II. OBJECTIVES

The objectives of the Association shall be to elicit, combine, and direct the energies of Columbus Baptists in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the North Carolina Baptist State Convention, and the Association itself, to promote fellowship and good-will among the Churches; and to devise and promote measures for increasing the harmony, intelligence, and spiritual powers of the churches.

ARTICLE III. MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Baptist Churches in Columbus County that shall be represented at its regular or special meetings by duly elected messengers in the following ratio: (1) Three (3) for the first one hundred members or fraction thereof, and one for each fifty additional members, but provided that no church may have more than 10 messengers. (2) All ordained ministers who are serving as pastor within the Association, Associational Officers and Committee members.

Section 2. Messengers shall be members in good standing with the church they represent, and their names must appear on the letter from their church to the Association to entitle them to be seated as messengers.

Section 3. The Association shall be sole-judge of its membership, and may reject or receive churches applying for membership therein at its pleasure, provided that the churches so received shall come under the watch-care of the Association for a period of one year. During this period such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting or holding office. At the conclusion of this period, should no valid objection be raised, they then become members in regular standing by action of the Association.

Section 4. The Association shall encourage the organizing of new Baptist Churches within Columbus County under the leadership of any pastor, Church, Churches, or interested persons of the Association. If a new church contemplates being received into the fellowship of the Association after its organization, those who are

to compose its charter membership and those leading in its organization are urged to seek the counsel of the Executive Promotion Committee and shall proceed with the organization only after approval is given.

Section 5. A Church seeking admission into the Association shall present its application to the Committee on Credentials, and furnish the Committee with such information as it may require about the church. The Committee may then recommend that such Church be received under the watch-care of the Association for the period of one year from the date of that Associational Meeting.

Section 6. The Association may at any time dissolve connection with any church that becomes disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Section 7. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE IV. POWERS AND PREROGATIVES

The Association shall have no power whatsoever to infringe upon the right of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectively promote the causes of Christ throughout the world.

ARTICLE V. DUTIES OF CHURCHES

It shall be the duty of each church to appoint messengers, to insist upon their attendance at Associational meetings, to contribute toward the expenses of the Association, and to send annually a report to the Association which gives information requested in forms provided by the Associational Clerk.

REPORT OF ASSOCIATIONAL MISSIONARY

"Thank you so very much," is certainly our first thought toward you, our good people of the Columbus Baptist Association, as we come to our first Annual Meeting together. You have been most gracious in many ways through your splendid cooperation.

We are indeed grateful for the fine fellowship we have enjoyed in your homes, and for your gifts of food and many other expressions of love.

The cooperation of our Pastors and people has helped so very much in the promotion of our Lord's work in our churches and through our Association program. I have been present in 44 of our 45 churches for a regular service and on invitation have shared in the program in 40 churches, wherein I have provided the message of the hour.

New Training Unions and new Brotherhoods are in the making in several of our churches. Several Sunday Schools have moved up from class Sunday Schools to Departmentized or Semi-Departmentized.

The following General Programs were promoted through the association office during these few months we have worked together:

Annual G. A. Rally—Quarterly Mass Meetings of Training Union, Brotherhood and Sunday School.

Youth Camp — Y. W. A. Council — Sunbeam Day Camp — Mission Study Institute

W. M. U. Leadership Conferences — Training Union Leadership Clinic

Training Planning Meetings — Sunday School Group Training Courses

Committee Meetings — Periodical News Letters — Annual Meeting

Calendar Of Activities — Book of Reports

The Association has an electric mimeograph and folding machine which your missionary will be glad to use in assisting any of our churches in producing bulletins for SPECIAL EVENTS. Your missionary has a personal projector for filmstrips and slides which he will be glad to use on behalf of all our churches.

Associational Features for November — December:

November	19-20	Deacons Schools
	29	G. A. Banquet
December	3	Pastors' Preview of "Studies in Matthew"
	10	" M " NIGHT — Tabor City Baptist Church Featuring "Mr. & Mrs. W. A. Mitchiner" Lay Missionary Travelers.

Even though the Calendar of Activities appears in the Book

ASSOCIATIONAL EVANGELISM REPORT

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

As an association we have participated in the following evangelistic efforts: clinic on evangelism on December 15, 1961, and our united effort in evangelism in the weeks of March 11-25. We have 43 reporting 338 baptisms for the year.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association and our Convention.

Important Meetings and Programs:

Our associational clinic on evangelism will be held February 1, 1963 at Whiteville, Trinity Baptist Church. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

Soul-Winning Commitment Day, January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses" — pastor's edition — (Which will be mailed free to every pastor on November 15, 1962, by the Training Union Department).

In January, it will be worthwhile to start your three months of cultivative witnessing, training our people to witness for Christ in preparation for our Baptist Jubilee Revivals in March.

February 11-13, 1963, State-wide Evangelistic Conference, Greensboro. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

February is transfer Church Membership Month. The non-resident church membership problem should have special attention at this time to be followed with perennial efforts.

March and April — Baptist Jubilee Revival Crusades. The date

for the Baptist Jubilee Revival in our association is March 10-24, 1963.

July 2-4, 1963 Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

March and April, 1964 World-wide Baptist Jubilee Revival. The date for our association is March 8-22, 1964.

All things point up the need for full committal to Christ in His redemptive purpose NOW Nothing less than this will be enough. In fact nothing less than this has ever been enough.

Respectfully submitted,
Ellis L. Marks

REPORT ON FOREIGN MISSIONS

Any statistical survey is only a partial report of work accomplished in a year of missionary endeavor. For every Baptist reported, there are many other people in some stage of inquiry about the gospel of Jesus. There is no way to measure the impact of Christian influence upon the ethical and moral standards of the countries where work is being done.

From January to May of 1962, there were 26 missionaries appointed, bringing the total number in active service to 1,563. But we have yet to fill the 751 urgent requests for new missionaries that were made at the end of last year.

Reaching out into four new countries in early 1962, we now have missionaries under appointment to 51 political entities where the goal of each institution is evangelism. National pastors number 2,534. The 3,627 churches and 6,815 chapels report 419,744 enrolled in Sunday School; 34,364 baptisms; and 475,727 church members.

The 1,026 Baptist schools which enroll 162,462 students are served by 5,687 national and 305 missionary teachers. Among the schools are 38 theological institutions with 1,191 students and six women's training schools, with 370 students. Two new seminaries in Ecuador and Tangangika began classes in early 1962.

Medical mission institutions include 18 hospitals and 56 clinics and dispensaries with a total of 1,036 beds. They are served by 50 missionaries and 96 national physicians, plus 55 missionary and 240 national nurses. During the past year 299,824 patients were treated. 32,241 were inpatients.

Recognizing that strong churches need not only trained leaders, but also literature for evangelism and religious education, sixteen publishing centers, turned out books, tracts, and periodicals,

numbering 18,215,494 pieces of material. Fifty-seven missionaries and 437 nationals serve on the publication staff.

Total contributions of Southern Baptists for foreign missions amounted to \$17,935,615.82 last year. Funds from the Lottie Moon Christmas Offering totaled \$9,315,754.78. The advance section of the Cooperative Program was not reached last year. It is one strong hope and expectation that the 1962 convention budget will be fully reached and that the advance section will bring strong reinforcement for sustained work.

REPORT ON HOME MISSIONS

The promotion of Christian missions at home is the task of the Home Mission Board. In effecting this ministry, the Board has seven programs: (1) Associational and Pioneer, (2) Chaplaincy, (3) Church loans, (4) City Missions, (5) Evangelism, (6) Language Groups Ministries (7) Work with the National Baptists. Through these divisions, the Board works toward the fulfillment of its task in close cooperation with state mission boards. A review of the work emphasizes the role the Home Mission Board plays in meeting the changing and challenging needs of our America.

Under the Home Mission Board's leadership, Baptists mobilized for a convention-wide ministry of relief and resettlement of more than 100,000 Latin American refugees. Many states helped in the resettlement of families and the churches gave \$50,000 for relief.

As a part of the 30,000 movement this year, churches are being asked to start missions for language groups. Language missions will also be emphasized during the Baptist Jubilee Advance world missions year.

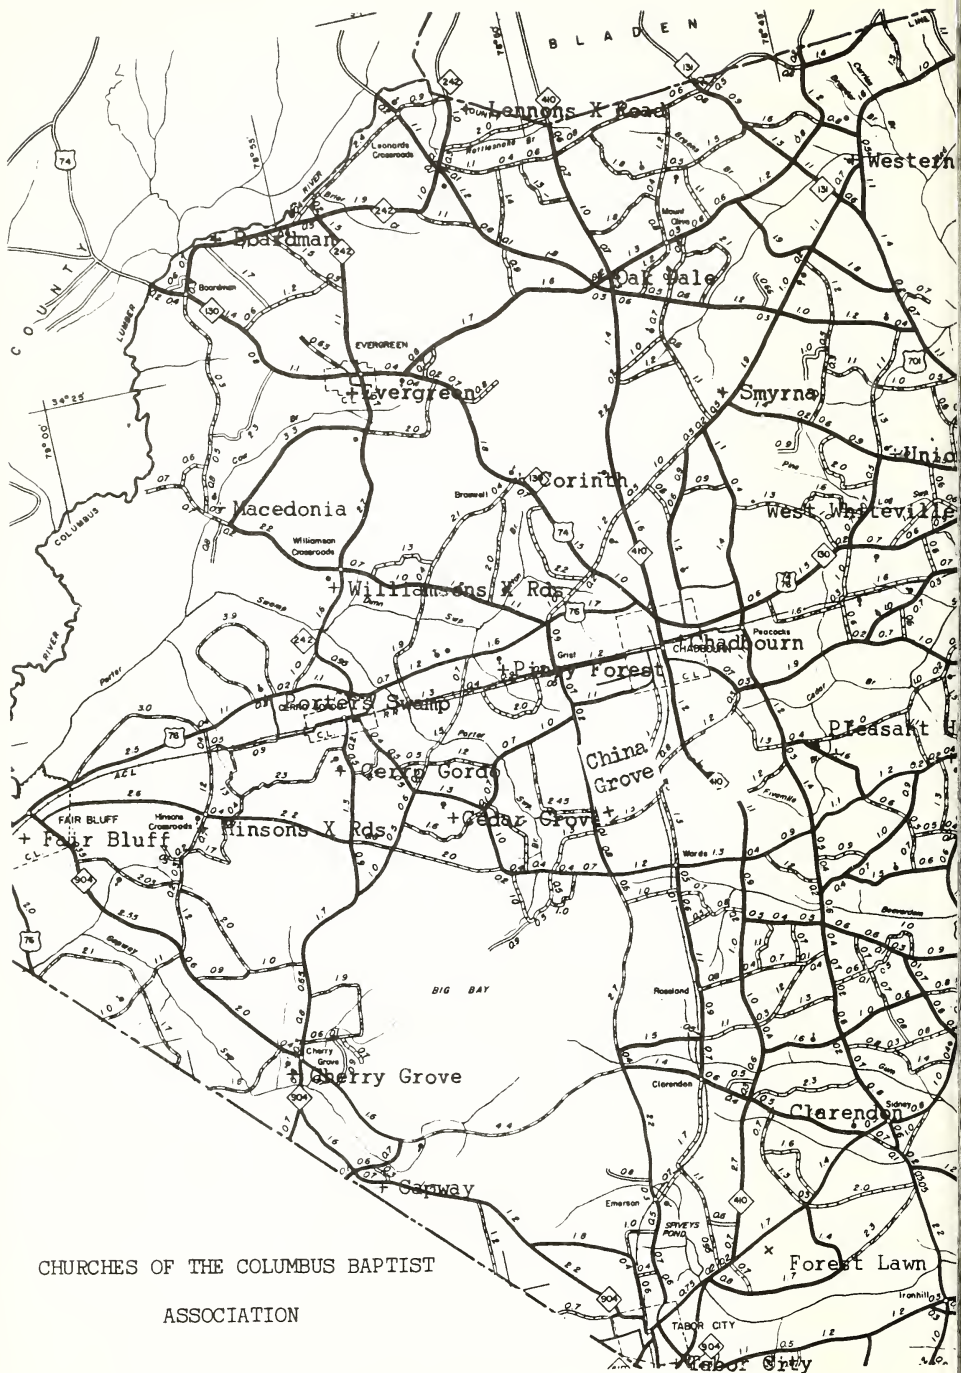

Southern Baptist's six missionaries, under the direction of Herbert Candill, remained the largest U. S. mission force in Cuba. The Board allotted \$265,000 for the work, which despite harrassment by the government, still continued strong in evangelistic efforts.

Cooperative Program receipts did not reach budget expectation. And, regrettably we were unable to continue the "Big-cities" ministry. The Home Mission budget for 1962 was \$4,425,000.

An increase by the government in military manpower also called more chaplains into active duty, including 25 Baptist. Now there are 695 Baptist chaplains in the military. Some 232 more are serving in the hospitals and correctional institutions of the nation.

The loan funds of the mission board reached \$9 million. These are used primarily in areas where Baptists are numerically weak and financing is difficult to obtain.

Agreements between the Home Mission Board and state mission

boards now number 25. Negotiations are underway with the three other boards. These states cooperate in the employment of most of the 1,975 missionaries which serve in all fifty states, Cuba, Panama, and the Canal Zone. Last year these missionaries reported 54,899 professions of faith.

REPORT ON THE BAPTIST JUBILEE ADVANCE

The Baptist Jubilee Advance is sponsored by the Baptist Joint Committee composed of representatives from seven participating bodies. Listed in the membership of these groups are approximately twenty of the twenty-one million Baptists in the United States and Canada.

These groups are all working together toward the celebration of the 150th anniversary of organized Baptist mission work. The effort will be culminated in 1964 when Baptists from all over the North American Continent will convene at Atlantic City. Each year a new phase of corporate endeavor is stressed. In 1961 emphasis was placed on Stewardship and enlistment; in 1962 on church extension; in 1963 on world missions; and in 1964 the celebration itself.

Enthusiasm engendered by the Jubilee Advance has enjoyed an influence reaching far beyond the confinement of these seven groups involved, as might be observed from a statement made by Dr. Theodore F. Adams President of the Baptist World Advance. He said, "It has been an inspiration and a joy to see how the spirit of the Baptist Jubilee Advance has spread abroad. Much of the study reflected in plans for the Baptist World Alliance Program came out of the Baptist Jubilee Advance." The Baptist World Alliance has adapted 1964 as the year for a world-wide evangelistic crusade.

For Southern Baptists, a companion program to the Baptist Jubilee Advance is the 30,000 Movement, directed by Dr. C. C. Warren, from whom the idea originated. Its aim is the establishment of 10,000 new churches and 20,000 new missions by Jubilee year of 1964. In January, 1962, the 30,000 movement was near the half-way mark. Dr. Warren announced 14,210 missions and churches had been started.

The goal for this year is 6,000; and this, the year of church extension finds all Baptists again uniting their energies under one general theme of sharing Christ.

REPORT ON RETIREMENT PLANS

The Annuity Board, now with 14 field men working in 21 state conventions paid in benefits a total of \$2,879,816.21 during 1961 to 5,326 persons. The total membership in all plans of the Board was 23,214 on January 1, 1962. Presently, 67% of the churches in the Convention are participating in the program. Of this number 43% were paying total dues for both church and pastor.

In their April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the Southern Baptist Protection Plan for those who join before January 1, 1963. According to the plan certified, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is the latter. For each year he delays joining the plan, his widow and disability benefits are reduced. But now, because of the trustees action, anyone joining the Protection Plan before January 1, 1963, will have this penalty removed.

The waiver also removed the penalty from any person currently in the Protection Plan who may have been affected by it, and it allowed the Board to make adjustments in Annuity checks to widows and disabled persons who were penalized because of delayed entry.

Guy S. Cain N. C. Secretary of Retirement Plans, urges that all churches, and pastors give immediate attention to this wonderful opportunity. For after January 1, 1963, any person who delays joining will penalize himself according to the participation clause.

Respectfully submitted,
Bob Harris

REPORT ON THE COOPERATIVE PROGRAM

The Cooperative Program is that orderly system of finance through which the 32,251 local Southern Baptist Churches may combine their contributions in support of a wider world ministry.

Here is how it works. Individual Christians make their contributions to their local churches as the Lord has prospered them. The members of each church decide together what portion shall be given to the Cooperative Program for disbursement among the varied causes. Then these gifts are sent to the State Convention Office and there divided between State and Southern Convention causes according to the budget already approved by messengers of our churches meeting at the Annual State Baptist Convention.

It has been designated this year that 34% of our Cooperative Program gifts be combined with the gifts of other churches

throughout the Southern Convention to the support of Foreign Mission, Home Mission, Institutions, and Commissions. 66% of our contributions will remain in North Carolina for distribution among the Institutions, Agencies, and Operational Divisions here.

Through this co-operative effort we are able to support 1,500 state missionaries, provide 3,750 teachers for 71 colleges and seminaries, locate 1,563 dedicated workers on the foreign mission field, sustain 2,100 Home missionaries, and maintain 40 Hospitals and 34 children's Homes.

This year in North Carolina the Cooperative Program has been voted both an increase and a limitation. This paradox is the outcome of a serious enquiry into the problem of higher education caused by a continually enlarging student enrollment and college facilities presently inadequate to absorb the increase. It was discovered that our institution of higher learning needed an additional \$1,215,000 in 1961.

In order to meet this pressing need without, at the same time, jeopardizing the support of our other important agencies, a surplus plan was adopted. All monies received through the Cooperative Program above the normal operating budget were allocated to be divided among our seven colleges on a pro-rate basis. And as a measure to insure the colleges' reception of this surplus it has been prescribed that the operating budget be limited to a 5% increase per year for the next three years.

It was then deemed necessary to assist the creation of such a surplus as would sufficiently provide these essential funds. The local churches were asked to increase their contributions to the Cooperative Program by 35%. Many churches have already responded to the suggestion. Others are making plans for an increase this year. By July the budget showed an increase of 11.24%, the largest ever noted.

Last year 39 of the 45 churches in Columbus Association gave a total of \$57,479 through the Cooperative Program. It is felt certainly that this year will show a substantial gain.

Bob Harris

REPORT ON THE AMERICAN BIBLE SOCIETY

The Bible is the essential tool of missions and evangelism. And it is for that reason that the American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible; publishes without comment, and distributes without profit. For the Blind it supplies Scriptures in Braille and on talking records.

During 1962 the American Bible Society: (1) rejoiced that some part of the Bible has been published in 1181 languages; the full Bible in 226, a Testament in 281, and a book in 674 more; (2)

distributed a record total of over 24 million Scripture volumes in over 100 countries on six continents; (3) realized anew that the demand for the Bible rises dramatically in area of political tension like Cuba and Congo; (4) continued to enlarge the world-wide ministry of the Finger-Fono (a special phonograph operated by one finger for use in areas of illiteracy). Records are now available in forty languages; (5) gave almost a million volumes for distribution to persons of specific needs: Cuban and other refugees, flood victims, hospital patients, jail inmates, and many others.

Because the Bible Society serves mission work and Baptist missionaries, depend on the society for Scripture they need, Baptist Churches believe in the missionary importance of giving to the American Bible Society.

Every church can give at least these amounts each year:

Smaller churches	\$ 10 to \$ 60
Larger churches	\$ 60 to \$300
Great City churches	\$300 to \$600

Let us help you "share Christ in the whole world."

Respectfully submitted,
Bob Harris

REPORT ON STATE MISSIONS

State Missions includes no less than seventeen ministries which reach effectively into every corner of North Carolina. Its work is marked by such an expansive scope that some have called it the state's "lifeline of Baptist growth." Perhaps a brief resume of its service rendered this year past will give us some indication of the reason behind such a reference.

The Schools of Missions reached 200,000 people last year. During World Mission year in 1963, ten weeks of schools will be conducted with 400 churches using 300 missionaries from around the world.

The 30,000 movement has resulted in the establishment of 556 new missions and churches. Our 1962 goal was 120. More than half of it was reached in 5½ months.

Cherokee Indian work reached many of the 4,200 persons on the Reservation. But the need here is great. There are 50,000 Indians in the State. We have only two workers and seventeen churches.

Our ministry to the deaf under the very able direction of Jerry Potter, carries the gospel message to many of the 5,000 deaf people in the state through television and church classes.

Eleven Seminary Extension Centers enrolled 480 pas-

tors, and church leaders. And Fruitland Bible Institute supports a faculty of eight to instruct 170 students.

The Ministry of Interracial Cooperation is varied and many faceted. Conferences on Human Relations Evangelism, Stewardship; Training Institutes for Lay Leadership; Youth Camps, Retreats and Deacons' Schools are offered to strengthen churches and designed to open wider the channels of communication between racial groups.

Church Development promotes community surveys and supports the Goodwill Mission Center at Spray, while the Military Program serves the more than 450,000 military personnel and specialized instruction to nearly 10,000 Japanese.

The Associational Missions Ministry shows 66 missionaries to be serving 69 associations. Three more associations are planning to call missionaries soon. This means that only nine associations will be without missionaries. Last year, fifty-seven associations received financial assistance through the State Mission Department.

Presently, demands are greatest in the areas of pastoral assistance, gifts for church lots, and church loans. This year 161 churches and missions will be aided through at least one of these services. Only our limited budget prohibits our helping more.

The diversified ministries of our State Mission Department carries the gospel effectively to thousands of North Carolina's unreached people. Interest among our churches in this work has increased tremendously. Pray that God will mushroom our effort. Give through the Cooperative Program so these workers can increase their capacity for service.

Bob Harris

REPORT ON CHRISTIAN EDUCATION ADVANCE

Our seven Baptist colleges completed this year's work with the largest enrollments in their history, totaling 8,389 students. This fall the enrollments have soared even higher. The completion of some additional dormitory space and classroom buildings has made an increase possible; but, the colleges regret that still many applications had to be returned because of lack of space and instructional facilities.

Each year the demands upon our institutions of higher education grow heavier with a continuously enlarging student body. And it is feared that, should we not provide more adequate space in the near future, our colleges will be unable to meet the urgent needs laid down before closing doors, by the youth of our state.

It was thought imperative that we undertake at once a deter-

mined effort to enlarge our college facilities. On May 4, 1962, the Baptist State Convention meeting in special session at Greensboro, approved a program of Christian Education Advance, designed to adequately equip our schools for more effective service. It was hoped to make nine million dollars available for the improvement of our colleges during the next three years. The method selected whereby such a desire would be realized was that all monies received by the State Convention above the amount designated for the normal operating budget would be channeled directly to the enlargement of college facilities. The goal this year was set at \$1,215,000.

Then, to insure the provision of such a surplus, our churches were asked to increase their gifts by 35% to the Cooperative Program. Many already have. Others intend to make the increase this year. On last July 24, Cooperative giving was 11.24% ahead of the same week in 1961. This is one of the largest increases in Cooperative World Mission Program giving in the history of the convention.

God is blessing your efforts a great deal in this campaign. Campbell has added the senior class for the current academic year. Mars Hill added its junior class in September. And Wake Forest has been encouraged to strengthen its efforts in the direction of adding graduate work.

Will you pray daily that God will sustain us in this worthy program as more churches are led to vindicate their concern for the adequate preparation of our students by voting a 35% increase in the Cooperative Program this year.

Respectfully submitted,
Bob Harris

REPORT ON BAPTIST HOSPITALS

Since its establishment in 1923, Baptist Hospital has operated for three purposes: to preach, to teach, to heal. Twenty-four hours a day, everyday in the year, it works, preaching, teaching and healing, and it grows in service to meet the increasing need. With a staff of 1,200 persons, it conducts the vast business of a large modern hospital.

Through a Department of Pastoral Care, the mission of preaching is conducted within the Hospital, and throughout the country. In the Hospital itself, chaplains are always on call. They visit every patient; they comfort, they counsel, they pray. They made 82,502 calls and 5,286 counseling visits in 1961. In the Davis Memorial Chapel, known as the real center of the Hospital, devotional services are held each day. And in an effort to promote a closer relationship between doctor and ministers, staff members frequently conduct meeting between these two groups to whom

the sick and disturbed turn most frequently for help.

The ministry of teaching is fulfilled through the operation of accredited schools of Professional Nursing, Practical Nursing, Medical Record Library, Science, Medical Technology, Cytotechnology, X-Ray Technology, Anesthesia for Nurses, and Pastoral Care. Included too, is the clinical teaching of third and fourth year medical students along with resident and intern programs. In the educational program nearly 700 students are enrolled.

Serving with skill and understanding, the Hospital is a highly efficient institution for healing the sick. Last year 131,144 days of care were provided 15,448 bed patients; 60,184 visits were made to the private clinics; and 83,296 visits were made to the Out Patient Department.

To assist a staff in every medical speciality serving these patients, the Hospital provides: heart-lung machines making possible the performance of the most difficult heart operation; the cobalt machines for treatment of deep-seed cancer; the artificial kidney; the heart diagnostic laboratory; and other equipment of the latest and best type. They offer every aid available for giving the patient the opportunity for life and health.

There remains however, pressing needs to be met this year. One of the most urgent is the enlargement of the facilities of the Out Patient Department. Another is the need for a building to provide adequate housing for the Hospital's eight schools. And still another is the continuing need that more funds be made available through the Mother's Day Offering in order that we may join with the Doctors in offering increased services to those who need help through the Out Patient Department.

Bob Harris

REPORT OF THE DEPARTMENT OF STUDENT WORK

The objective of this department is to assist each person in becoming a mature Christian who is committed to God in faith, who nurtures his faith in the church, and who manifests the Christians life in all his attitudes and actions.

For the achievement of this end, there are 32 Baptist Students Unions in the state serving 26,000 Baptist students enrolled in 59 colleges. Student centers providing significant means for reaching and envolving students are presently located on the campuses of East Carolina, N. C. State, Woman's College, and Duke. And a Student Nurse Program is maintained for the more than 750 students in 34 schools of nursing.

In cooperation with local Baptist Churches attractive programs are carried out on campus to provide sustained Bible study, devotional periods, mission study, forums, focus weeks, and fel-

lowships in addition to the regular programs of worship, Sunday School, and Training Union offered by the churches. Local B. S. U.'s strive to be Christ-centered, church related, student-led, and campus oriented.

Statewide activities provide such opportunities for spiritual growth as the B. S. U. Fall Convention to meet November 2-4, the Spring Leadership Conference, a mission focus, and the Officers Council. In addition, the students have a direct missions program of their own, which sent six of them to work in Africa during the summer of 1962 and many others to serve in special services in the local churches under the sponsorship of the Department of Student Work.

But there are needs which must be met if we are to keep pace with the rising college enrollments. More workers are needed, especially at Carolina and State. Also Student centers are needed at Appalachian and Western Carolina. It is hoped that the offerings to the Cooperative Program will be so increased that the Christian Advance Program will provide some of the cost for the much needed expansion of student work.

REPORT ON HOMES FOR THE AGING

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years, we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four homes — Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high, and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through

this vital medium. Ninety per cent of the residents who live on our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,

Bob Harris

REPORT ON THE CHILDREN'S HOMES

Because the Baptist of North Carolina believe that **no** task is more important than helping a child, hurt by life, to grow into a healthy, well-adjusted, responsible citizen, 848 boys and girls were served during the past year by Baptist Children's Homes.

In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit only 170 of these — leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

More and more, our Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken within this year to begin to provide, on a small scale, such serviced at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources

Cooperative Program	33 per cent
Thanksgiving Offering	30 per cent
Once-a-month Offering	16 per cent
All other	21 per cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one-third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30% of income.

We sorely need an increase of one-hundred-thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 boys and girls.

Bob Harris

REPORT ON THE BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

The BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1962, was accepted. This was the first such increase in many years, and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable, yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

As all of us know in our local churches, an accurate channel of information is necessary. This is as true in our denomination as it is in our churches. The RECORDER is that channel to keep you in touch each week with all that Baptists are doing around the world.

In addition to keeping you informed, the RECORDER also is an open forum for discussion of issues in which all of us are interested. Being a free people, Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidence in the RECORDER during the past year.

More than 1,700 churches now have RECORDER clubs but that number should be at least 2,000. This goal can be attained. The Every Family Plan, costing only 4c a week per family, is the best way as more than 500 churches can testify. Even the Club Plan is only a nickel a week, or \$2.50 a year.

Bob Harris

BROTHERHOOD ANNUAL REPORT

The Associational Brotherhood wants each Baptist man to be active and committed to the work of our Lord. We need men who are willing to witness to lost men, to lead boys, to promote missions and lead other men in good stewardship. Our Baptist churches need men desperately, and we sincerely feel that the Brotherhood is an instrument to challenge and lead men to engage in these most important activities.

The attendance at the area three convention in Salemburg Baptist Church was the best ever. We enjoyed a well planned and presented program, climaxed by a very inspiring message on missions by Dr. Douglas Branch.

In the past year we held three meetings of the Associational Brotherhood. One was in the First Church, Whiteville. Each officer gave a short summary of his job in the Brotherhood. Lake Waccamaw was host to the July meeting. The program was the "Layman and His Church." The annual workshop met with the West Whiteville Church. Each of those meetings was well attended by our men.

We are visited several of our church Brotherhoods in the Association this year. We hope to visit with each group this coming year.

Our committee will be most happy to serve you at any time if you need us. We are willing to serve as a group or as individuals as you call on us.

Please remember the officers in your prayers.

SUNDAY SCHOOL REPORT

Thomas C. Faircloth, Superintendent

The people of every church would do well to give more Christian dedication to the work of the Sunday School, for no organization on earth has done a better job in reaching the masses for Bible study. It appears that the Sunday School will be in operation for years to come.

The challenge from your superintendent is that of having better Sunday Schools. The following suggestions are offered:

1. Study your community and find the unenlisted.
2. Study your building needs and make plans for the people.
3. Organize your Sunday School properly.
4. Let the officers and teachers visit every week.
5. Let the majority of the time on Sunday morning be spent in Bible teaching.
6. Witness to the lost in order that they might come to a personal knowledge of the Lord Jesus Christ and be faithful members of the church.
7. Let every Sunday School be mission-minded.

The Sunday School theme for our church year is "Spearhead for Missions." The members of the local church can be an important part of the "spearhead" if they involve themselves in Bible study and Bible teaching, in loyal attendance and participation in the local church, association and state meetings, as well as attendance in the state and southwide assembly programs.

Respectfully submitted,
Thomas C. Faircloth

**1962 REPORT OF WOMAN'S MISSIONARY UNION AUXILIARY TO
COLUMBUS BAPTIST ASSOCIATION**

Obedience to the command of Christ to "Go into all the World" and confidence in God led 32 delegates gathered in Richmond, Virginia, Monday, May 14, 1888 to organize the Woman's Missionary Union Auxiliary to the Southern Baptist Convention.

For the first time since this momentous event, we are confronted with a world situation in which time no longer seems to be on our side. We must be as bold for the Lord's work in our day as the 1888 women were in their day.

Therefore October 1, 1962 to October 1, 1963 has been proclaimed a year for observance of the 75th Anniversary of Woman's Missionary Union. It is a year when in our churches we shall attempt to reach sixteen high goals in every local WMU, goals that will enable us through enlistment, stewardship, study, service and prayer to extend the kingdom of our Lord whom we serve for "We are Laborers together with God — That the world through Him might be saved."

To celebrate an anniversary we must consider the past, the present and the future. To understand the present we must know the past. To belong to the future we must be faithful in the present. And so during this 75th Anniversary year we shall from time to time look back briefly but with genuine appreciation for our heritage — sensing the past devotion, the dedication and purposeful action which shaped the destiny of today. Thus we shall be able to serve today with enthusiasm — building on foundations others laid — seizing the opportunity of the moment — grasping the truth that today's investments are tomorrow's dividends.

This year your Associational WMU shall strive to increase the awareness of every member of this Association to their individual and collective responsibility to carry out the Great Commission. We shall also attempt to lead each church to provide the organization, structure, procedure and program necessary to accomplish this awareness. We believe that this can be best done by promoting the 75th Anniversary goals which are:

Anniversary Prayer Retreat

Study of WMU History

Study of World Awareness

75% of members receiving WMU magazines

75% of leaders holding current leadership cards

75% of members reading a mission book

Special Cooperative Program presentation

Representation at association, state or convention-wide

Anniversary meeting

15% increase in Lottie Moon Christmas Offering

15% increase in Annie Armstrong Offering

15% increase in tithers

15% increase in members

Five days observance of Week of Prayer for Foreign Missions

Five days observance of Week of Prayer for Home Missions

Organize or participate in work of one mission

At least one Honor WMU organization

TRAINING UNION REPORT 1961-62

On December 4, 1961 some 301 of us representing 25 of our churches, were guests of the Western Prong Baptist Church for our annual mass meeting. The adult choir from the Tabor City church favored us with appropriate inspirational music, this coupled with the message by Rev. Thomas I. Rich, First Church, Fairmont, brought our "M" Night to a successful close.

New Hope was the host for our tournaments in March, with the New Hope Choir also bringing our special music. Tournament winners were:

Larry Maurice Gilliam

Alt. Nellie Duncan

Mrs. W. E. Smith

Alt. M. E. Brann

There were 116 present, representing 17 churches.

On June 11th we met with the Cherry Grove Baptist Church with our State Director Brother Jimmy Morgan as our featured speaker. The theme of this program was planning, with a skit demonstrating how the lack of it affected our efforts. After this meeting, preliminary plans were made with Brother Morgan to bring his State Workers for a Training Clinic. The West Whiteville choir brought a message in music appreciated by all. Present 181 representing 17 churches.

Arrangements were made for a Special Leadership Training Session to be held on Thursday, September 27th, at which time Age Range Conferences would be provided with State Convention Workers leading as follows: General Officers, Adults, and Young People lead by Mr. James P. Morgan; Intermediate and Junior Leadership lead by Miss Katie Ruth Grayson; and Primary, Beginner and Nursery Workers lead by Miss Doris Morgan. 91 people representing 21 churches of our Association were in attendance. This was termed by our State Training Union Secretary, Mr. Jimmy Morgan as one of the best attended conferences of this nature his department had conducted.

I take this opportunity to express my sincere appreciation to our Associational Training Union Officers, who have served so

faithfully during the past year, and to the host churches and those providing special music, for your splendid cooperation.

May I challenge the incoming officers and organization to surpass any previous records and quality of promotion we have experienced.

CONSTITUTION AND BY-LAWS

PREAMBLE

We, the messengers of Baptist Churches of Columbus County, do hereby propose to establish and maintain the order and rules of a District Association in conformity to the following plan:

ARTICLE I. NAME

This organization shall be known as the Columbus Baptist Association.

ARTICLE II. OBJECTIVES

The objectives of the Association shall be to elicit, combine, and direct the energies of Columbus Baptists in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the North Carolina Baptist State Convention, and the Association itself, to promote fellowship and good-will among the Churches; and to devise and promote measures for increasing the harmony, intelligence and spiritual powers of the churches.

ARTICLE III. MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Baptist Churches in Columbus County that shall be represented at its regular or special meetings by duly elected messengers in the following ratio: (1) Three (3) for the first one hundred members or fraction thereof, and one for each fifty additional members, but provided that no church may have more than 10 messengers. (2) All ordained ministers who are serving as pastor within the Association, Associational Officers and Committee members.

Section 2. Messengers shall be members in good standing with the church they represent, and their names must appear on the letter from their church to the Association to entitle them to be seated as messengers.

Section 3. The Association shall be sole-judge of its membership, and may reject or receive churches applying for membership therein at its pleasure, provided that the churches so received shall come under the watch-care of the Association for a period of one year. During this period such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting or holding office. At the conclusion of this period, should no valid objection be raised, they then become members in regular standing by action of the Association.

Section 4. The Association shall encourage the organizing of new Baptist Churches within Columbus County under the leadership of any pastor, Church, Churches, or interested persons of the Association. If a new church contemplates being received into the fellowship of the Association after its organization, those who

are to compose its charter membership and those leading in its organization are urged to seek the counsel of the Executive Promotion Committee and shall proceed with the organization only after approval is given.

Section 5. A Church seeking admission into the Association shall present its application to the Committee on Credentials, and furnish the Committee with such information as it may require about the church. The Committee may then recommend that such Church be received under the watch-care of the Association for the period of one year from the date of that Associational Meeting.

Section 6. The Association may at any time dissolve connection with any church that becomes disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Section 7. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE IV. POWERS AND PREROGATIVES

The Association shall have no power whatsoever to infringe upon the right of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectively promote the causes of Christ throughout the world.

ARTICLE V. DUTIES OF CHURCHES

It shall be the duty of each church to appoint messengers, to insist upon their attendance at Associational meetings, to contribute toward the expenses of the Association, and to send annually a report to the Association which gives information requested in forms provided by the Associational Clerk.

ARTICLE VI. ORGANIZATION

Section 1. The general officers shall be a Moderator, Vice-Moderator, Clerk, Treasurer, Historian and three Trustees.

Section 2. Additional Officers shall be the Associational Sunday School Superintendent, T U Director, W M U President, Brotherhood President, Music Director, Youth Camp Director, and others as needed, including a full slate of organizational officers as recommended by the Educational Division of the Baptist Sunday School Board.

Section 3. The nominating committee shall recommend the

officers to the Association. However, the Association reserves the right to make other nominations for any and all officers and committees.

Section 4. The offices of Clerk and Treasurer may be held by the same person.

Section 5. The general officers and additional officers as specified in Section 2 of this article shall be elected at each annual session and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session, unless removed for cause, or until their successors are appointed.

Section 6. The term of office for Moderator and Vice-Moderator shall not exceed two years in succession. All other officers may be re-elected to succeed themselves in office at the pleasure of the Association.

Section 7. All officers and committees shall be members of churches affiliated with the Association.

Section 8. The term of office for all members of committees shall be for one year.

Section 9. Vacancies in these offices or committees that may occur between the annual sessions of the Association, shall be filled for the remainder of the Associational year by the Executive Promotion Committee.

ARTICLE VII. DUTIES OF OFFICERS

Section 1. It shall be the duty of the Moderator to preside when the Association is in session; and serve as chairman of the Executive Promotion Committee. The Moderator shall also appoint a five member Committee on Committees within ten (10) days after the Annual Meeting of the Association.

Section 2. It shall be the duty of the Vice-Moderator to preside in the absence of the Moderator and to assist him in every way possible, and to succeed to the office of Moderator if and when during his tenure the office of Moderator becomes vacant.

Section 3. It shall be the duty of the Clerk to keep an accurate record of the meetings of the Association and prepare minutes to be distributed as soon thereafter as possible. He shall serve as secretary of the Executive Promotion Committee.

Section 4. It shall be the duty of the Treasurer to keep an accurate record of the money paid into his hands, pay all bills as they come due, and to make an annual report to the Association. He shall make a written quarterly report of the financial condition of the Association to the Executive Promotion Committee. He shall make a monthly report to the Association Office. He shall be a member of the Finance Committee.

Section 5. It shall be the duty of the Historian to collect minutes of each session of the Association and have these bound into

book form every ten years, and to assist in any way possible in keeping records of the history of the Association. He shall submit a short history of two different churches at each annual meeting, to be incorporated into the Associational minutes each year until all churches have a written history in the minutes. The churches shall be taken in alphabetical order; any new church coming in shall be put at the bottom of the list.

Section 6. It shall be the duty of the Associational SS Superintendent, TU Director, WMU President, Music Director, Youth Camp Director, and Brotherhood President to lead in the promotion of the activities of the organization of which he or she is head, and to preside over the meetings of the organization. These officers shall bring a report of their work to each quarterly meeting of the Executive Promotion Committee.

Section 7. It shall be the duty of the Trustees to hold in trust all property of the Association.

Section 8. All reports, both Associational and Denominational, shall not exceed 300 words, except the Treasurer's Report and the Associational Missionary.

ARTICLE VIII. RULES OF ORDER

Section 1. All business shall be conducted and all discussions carried on in the manner prescribed in ROBERT'S RULES OF ORDER REVISED.

Section 2. The method of voting shall be by a show of hands, or by the will of the body.

Section 3. The simple majority shall prevail in all cases except as otherwise provided by this Constitution, provided that any member may at any time call for a written ballot or roll call on doubtful issues.

Section 4. A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

Section 5. A question having been decided twice by vote in the same attitude at a regular session of the Association shall not be reintroduced except by consent of the body, as expressed by a majority vote.

Section 6. At least one-fifth of the messengers enrolled shall be necessary to constitute a quorum.

ARTICLE IX. TIME OF MEETING

Section 1. This Association shall hold its annual meeting on Thursday and Friday before the fourth Sunday in October. However, in the case of some unavoidable circumstance that makes a change in the date of the annual meeting necessary, either the Associational Council or the Executive Promotion Committee, preferably the Executive Promotion Committee, shall have the authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks in advance of the new date for the annual meeting.

Section 2. In the event of some emergency that makes a call meeting of the Association necessary, either the Associational Council or the Executive Promotion Committee shall have the authority to call for a special meeting of the Association, provided that a notice of the time and place and purpose of such a call meeting shall be mailed to the Pastors and Clerks of the Churches of the Association at least two weeks in advance of the time set for the call meeting.

ARTICLE X. THE ASSOCIATIONAL YEAR

The Associational year shall begin the first of October and close the last of the following September.

ARTICLE XI. THE EXECUTIVE PROMOTION COMMITTEE

Section 1. At each annual meeting of the Association, it shall elect an Executive Promotion Committee composed of the Pastor, and two members (either men or women) presented by each church to the Association on the Church letter. The following shall be exofficio members of the Executive Promotion Committee: the Associational SS Superintendent, TU Director, WMU President, Brotherhood President, Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Youth Camp Director, Associational Missionary.

Section 2. It shall act for the Association in the interim between the annual sessions.

Section 3. The duty of this committee shall be to carry out the policies and will of the Association. It shall not take any action contravening the will of the Association; nor shall it initiate any new policies or practices binding on the Association, unless specifically so directed, provided: That in an adequate emergency it may take such action as it may deem necessary, but such action shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Associational meeting. It shall meet each quarter at the time and place agreed upon by the committee. (At least one-fifth of the committee shall be necessary to constitute a quorum.)

ARTICLE XII. ASSOCIATIONAL COUNCIL

Section 1. The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, TU Director, SS Superintendent, WMU President, Brotherhood President, Youth Camp Director, Charman of the Finance, Evangelism, Missions, and Music Committees.

Section 2. The Vice-Moderator shall be chairman of this Council.

Section 3. This committee shall counsel and advise any committee or church in the Columbus Baptist Association on any subject which has been submitted to it.

Section 4. This committee shall meet at least once each quar-

ter prior to the regular meetings of the Executive Promotion Committee. The chairman of this committee shall bring to each meeting of the Executive Promotion Committee a report of its work.

Section 5. This committee is responsible for the supervision of the work of the Association Missionary and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the committee shall work out an annual Calendar of Activities for the Association to be presented to the Executive Promotion Committee, to run concurrently with the Calendar year.

ARTICLE XIII. STANDING COMMITTEES AND DUTIES

Section 1. Committee on Committees. The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees; Committees on Resolutions, Time-Place-Preacher; and any other committees authorized unless otherwise provided for. This committee must not succeed itself and should be composed of five members from different churches.

Section 2. Nominating Committee. The nominating committee shall be composed of at least 5 members. The nominating committee shall nominate all officers provided by the constitution except Sunday School Superintendent, TU Director WMU President, Music Director, and Brotherhood President. The nominating committee shall then receive nominations from the Sunday School, TU, WMU, Music and Brotherhood organizations. After the Nominating Committee makes its report, to the Association, other nominations shall be in order from the floor.

Section 3. Program Committee. The duty of this committee is to plan the program for the annual meeting of the Association and bring it to the Executive Promotion Committee for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Associational Meeting.

Section 4. Finance Committee. This committee should keep a close watch on the needs of the Association for an adequate budget and for a well-balanced program of work, and should be prepared to bring to the Association in Annual Session a proposed budget. This committee should also be prepared to advise with the Treasurer of the Association during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of the committee to see that an audit of the treasurer's books be made following the close of the Associational year and presented to each Annual Meeting of the Association.

Section 5. Committee on Fellowship. a. It shall be the work of this committee to make a proper investigation of churches that express a desire to affiliate with the Association concerning their being orthodox in faith and cooperative spirit, to report to the Association in Annual Sessions their findings and recommendations concerning the acceptance or rejection of such churches. b. It shall encourage pastorless, part-time churches to form fields, with pastors located as near the center as possible; assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. c. If invited, this committee shall go to any church for the purpose of edifying Christian fellowship.

Section 6. Committee on Ordination. This committee serves in an advisory capacity only, as it is invited by the local churches to assist in the examination and ordination of candidates for the gospel ministry.

Section 7. Committee on Evangelism. This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage evangelistic services in churches not reporting baptisms and help provide evangelistic services in unchurched sections within the bounds of the Association, to organize and promote the Simultaneous Revivals, and to promote any County-wide Evangelistic services. This committee shall be organized in accordance with the suggested Southern Baptist Program of Evangelism.

Section 8. Missions Committee. This committee shall keep alert to any developments that may make a new church or branch Sunday School necessary, advise with groups considering a new church or branch Sunday School about the necessity of such organization, assist in organizing new churches, and seek to encourage the best location possible when new churches are formed.

ONE HUNDRED FIFTY-SEVENTH ANNUAL SESSION
COLUMBUS BAPTIST ASSOCIATION

OCTOBER 24 and 25, 1963

First Day's Session With
NEW HOPE BAPTIST CHURCH

Second Day's Session With
RIEGELWOOD BAPTIST CHURCH

FIRST DAY — MORNING SESSION

1. The 157th Annual Session of the Columbus Baptist Association was called to order at 9:00 A. M. by J. B. Jones, Moderator.

2. Devotion was led by Rev. Maurice Gilliam, pastor of host church, reading John 17:18-26, then leading in prayer. Words of welcome were offered by the host pastor. The congregation joined in singing hymn No. 116 "Jesus Shall Reign," directed by Mrs. D. M. Spell with Mrs. T. C. Faircloth at the piano.

3. The printed program reviewed and presented by the Moderator was accepted as the program for the 157th Annual Session of the Association.

4. The report of the Constitution Committee was given by Mr. Jack Hooks, Chairman.

5. Roll call of churches was presented by the Clerk and each church represented, recognized by the Moderator.

6. Rev. Ellis Marks, Chairman of Evangelism for the Association pointed out the highlights of our Program of Evangelism for 1964. He called on each of us to commit ourselves more fully to the work of the Lord. Comments of praise for the evangelistic influence of our Associational Youth Camp were given by Moderator Jones.

7. Report on W. M. U. was next in order by Mrs. Horace B. Whitley, Associational President.

8. At the request of the Moderator, our Associational Missionary presented very briefly the program of Schools and Missions to be held in our Association January 4-10, 1964.

9. The congregation joined in singing hymn No. 191 "Jesus Saves."

10. Dr. E. L. Spivey of the Baptist State Convention brought a most inspiring and informative message on "Making Missions Personal and Real." He referred to Miss Cooperative Program as

so named because she is undesignated offerings. He emphasized the fact there must be an inward spiritual growth. Jesus never forced anyone to grow — it must be voluntary. We have substituted going to church for being the church. God grows weary of hearing his people complain and whine about not doing what God wants them to do. We complain about being a small church. "If ye have the faith as a grain of mustard seed—," this expresses quality and not size. Jesus was not talking about size but quality and responsibility. Tackle the impossible, the unbelievable. Forget comparison.

Churches today do not have the message of CERTAINTY for today's UNCERTAIN WORLD. We are too conscious of our own petty peeves.

The field is not the church — the field is the world. In our present philosophy our climax comes on Sunday which should be the beginning rather than the end of the week for God.

11. The congregation joined in singing hymn No. 455 "We've A Story To Tell."

12. Announcement was made of the Home Mission Study Institute to be held in this Association on December 5th at Trinity Baptist Church, in preparation for Schools of Missions.

13. Rev. Glen Hix, returned missionary from Taiwan, brought a powerful message on "The Compulsion of Missions," using John 4:3-4 as his scripture. He indicated it is much easier to preach than to practice. In Jesus there was a combination of preaching and practicing. He indicated that MISSIONS IS COMPULSORY:

A. THE NEED IS GREAT

Man is a creature of need — especially spiritually. There is evidence of religion wherever you go.

B. THE GOSPEL IS UNIVERSAL

Jesus wanted to impress the people that the gospel was for the Samaritan as well as the Jew.

C. THE TIME IS SHORT

Jesus said "The night cometh when no man worketh."

D. THE REWARDS ARE LIMITLESS

The most priceless rewards are those of service to God. The reward of sharing in the salvation of lost souls. Phil. 1:5 Everyone can share in carrying the gospel of Jesus around the world.

Mr. Hix closed his message with prayer.

14. Special music was provided by the Campbell College Choir of more than 30 voices.

15. ANNUAL SERMON

Scripture I Cor. 1:18-25 was read by Rev. T. C. Faircloth.

The Annual Sermon brought by Rev. James H. Johnson using the topic "The Cross of Christ." What was the explanation of Paul's life in service to Christ? The work of the apostle Paul was the work of the ministry. He preached Jesus Christ crucified. There is a difference between preaching and teaching about Jesus and preaching and teaching Jesus. We must know Jesus to preach and teach Jesus. The motivation of Paul's preaching was the crucified Saviour.

FIRST DAY — AFTERNOON SESSION

16. Dr. Lewis W. Martin of the Home Mission Board presented the Home Mission and Commission magazines as subscriptions available for 2 years for \$3.00. He then proceeded to bring a message on the topic "That They May Know," basing his message on a part of II Tim. 3rd chapter. He emphasized that we are living in perilous days. We are exposed to the perils of war, disease, Communism, and Mohammedism. The dangers are dreadful.

17. The congregation joined in singing the hymn "Send The Light."

18. New Pastors recognized were: Rev. R. L. Stock of Riegelwood, Rev. Minor Gouge of White Marsh, Rev. Kenneth Walker of West Whiteville, Dr. Francis Chesson of First Baptist, Whiteville, Rev. Fred Senter, Assistant Pastor of First Baptist, Whiteville.

Recognition was given to visitors.

19. Convention representatives present were: C. W. Bazemore, representing the Biblical Recorder, and Gordon Maddrey, representing the Baptist Foundation.

20. Remarks were made by S. W. Jolly expressing appreciation for the work of the Fellowship Committee. Remarks from H. W. Lewis on the Youth Camp. Both reports were adopted.

21. In the absence of the Associational Treasurer, Mr. S. P. Stanley, the treasurer's report was read by our Associational Missionary and the new Association budget presented by the Moderator. Both were adopted.

22. The highlights of the report of the Executive Promotion Committee were reviewed by the Moderator.

23. The session was closed with prayer led by Rev. O. S. Long, pastor of Cherry Grove Baptist Church.

RIEGELWOOD BAPTIST CHURCH SECOND DAY — MORNING SESSION

24. The morning session of the second day, October 25th at Riegelwood Baptist Church was called to order at 9:15 A. M. by J. B. Jones, Moderator. The opening of this session was delayed slightly in order to give more people time to reach the church

which is located some distance from the further end of the Association.

25. The congregation joined in singing hymn No. 451 "O Zion Haste," led by Mrs. D. M. Spell with Mrs. T. C. Faircloth at the piano.

26. A devotion of scripture and prayer was led by Rev. R. L. Stocks, pastor of the host church, using Romans 10:1-15. Mr. Stocks welcomed the people to Rigelswood Baptist Church.

27. Reports were heard from Convention Agencies as follows:

- A. Cooperative Program — D. M. Spell
- B. Baptist Hospital — Leo Hawkins
- C. Children's Homes — D. L. Todd
- D. Denominational Literature — Mrs. Howard Creech
- E. N. C. Baptist Foundation
- Homes for Aging — W. H. Lewis
- F. Baptist Colleges — W. B. Rogers
- G. Ministers Retirement — T. C. Faircloth

Each of the reports were adopted by the Association.

28. A motion was accepted by the Association that we continue this method of representation for reports on Convention Agencies and that more time be given to each than the present 2 minutes allotted.

29. The congregation joined in singing hymn No. 141 "I Love To Tell The Story."

30. Mr. James P. Morgan, Training Union Secretary for the Baptist State Convention, was next on program. He remarked that the Columbus Association was the first association into which he came after coming to work in his present position and that this Association ordained him as an Ordained Training Union Secretary. He thought he might be the only ordained Training Union Secretary in the world. Using as a basis for his message he presented 4 points: 1. Church members must be called to a re-examination of conversion experiences and a reaffirmation of the covenant relationship between man and God and man and his church. 2. A deepening sense of stewardship, individual and churches. 3. A willingness to share sons and daughters. 4. An appreciation for church organizations and Associational Missions in their programs designed to develop churches out of which resources come. 5. Pray. 6. Practice at home what we preach abroad.

31. The congregation joined in singing hymn No. 433 "The King's Business."

32. The following Associational reports were given:

- A. Sunday School report given by Mr. T. C. Faircloth, challenging us to go out and seek the lost. Let us be dead to the things of the world but alive to Christ. 1964

theme: "Out Reach for the Unreached."

B. Training Union Report given by Mr. Edgar Hinson, giving the highlights for the 1964 Calendar of Activities.

C. Brotherhood report given by Mr. Edwin Bullock, call-attention to the Brotherhood highlights for 1964.

D. Music Department report by Mrs. D. M. Spell, calling attention to the Music Calendar and emphasizing promoting a music ministry in the individual church.

Each of these reports were adopted by the Association.

33. The congregation joined in singing the hymn "Send The Light."

34. The report of our Associational Missionary, Mr. Arch Cree, called attention to achievements of the past but gave greater emphasis to the Calendar of Activities before us. Mr. Cree urged us not to be satisfied with our accomplishments regardless of our successes, but rather to move forward with a greater determination than ever before, with only one aim in view, that of pleasing our Lord.

35. The congregation joined in singing "The Morning Light."

36. A group of 10 students from Chowan College rendered excellent special music.

37. The Doctrinal Sermon was brought by Dr. Francis Chesson, using Acts 18 as a base for his message "The Holy Spirit." We, as Baptists in America have the numerical strength but are we endowed with the Holy Spirit? We as Baptists are apparently afraid of the Holy Spirit. The Bible refers to the Holy Ghost and we are afraid of ghosts. We as Christians are neglecting the ministry of our Lord to His people in need. It may be the drunkard or the unwed mother.

THE HOLY SPIRIT IS REAL

As marvelous as was the Resurrection it did not empower the disciples. It took the coming of the Holy Spirit. Peter had previously denied his Lord, but on pentecost he preached the salvation of many. Today, instead of performing miracles we are undoing miracles. We are turning wine into water. Our lives need to be recharged by the Holy Spirit. God will not waste His power on us, He will bestow it on us only if we are willing to use it. We are living in a day of revolution — will we take Christ into our world? The Holy Spirit can transform us and God can use us. Dr. Chesson closed his message with prayer.

38. The morning session was closed by the congregation joining in singing "The King's Business." Prayer was offered for the closing of the morning session and for thanks for the noon meal.

AFTERNOON SESSION — RIEGELWOOD BAPTIST CHURCH

39. The afternoon session was opened with a devotional per-

iod directed by Campbell College choir.

40. Rev. Howard Ford, pastor of Winter Park Baptist Church, Wilmington, brought the afternoon message "Deeper Christian Living," based on Luke 5th chapter. The churches are fishing too much in shallow water. We need to launch out into the deep. 27% of the Southern Baptist members are non-resident. Only 146% of Southern Baptists are tithing. Southern Baptists are largest of all Protestants in membership. It takes 27 to win one to Christ. To fish in deep waters we must find an authoritative word in the Bible for living.

41. Convention representatives present were: Wake Forest—Phillip J. Hamrick, Jr., Kennedy Home — David Leary.

42. Report from the Nominating Committee was accepted with the provision that the list be completed.

43. Report of the Committee on Committees was accepted. It contained for 1964:

A. Meeting places: 1st Day—Hallsboro Baptist Church
2nd Day—W. Prong Baptist Church

B. Preacher: Rev. Thomas C. Faircloth

Alternate: Rev. P. Leon Thomas

44. Report of the Constitution Committee accepted.

45. A new Committee on Committees as provided by the constitution was named by the Moderator:

Mr. Horace B. Whitley, Chm.

Mr. C. E. Williamson, Jr.

Mr. Billy Hooks

Mrs. Maurice Gilliam

Mr. J. L. Cutrell

46. Report of Resolutions Committee offered by S. W. Jolly, Chairman, was accepted.

47. Memorials were presented in a very fitting manner by Rev. S. N. Lamb, pastor of Mt. Zion Baptist Church.

48. Following the singing of the hymn "Blest Be the Tie That Binds" the session was closed with prayer by Rev. Ellis Marks, pastor of Hinson's Cross Roads and Piney Forest Churches.

Our Associational Missionary, Arch Cree, be permitted to be away from the Association for a period of at least four weeks during this summer for the purpose of attending the Baptist Assembly at Glorieta, New Mexico, and that the remainder of the money allotted to Convention Expense for the current year be used for that purpose.

8. Reports from our Associational Missionary at each meeting, concerning his own activities and promotion of the Calendar of Activities for the year have been accepted.

9. Pastoral aid for Lake Waccamaw Baptist Church and provided for by the N. C. Baptist State Convention, was approved by the Executive Promotion Committee of the Columbus Baptist Association.

DENOMINATIONAL LITERATURE

Southern Baptist have grown into a large denomination partly because of the abundance of literature of the highest quality available to the churches today.

Good literature is the proper tools for Christians to prepare themselves. Are we willing to invest our money and time in adequate literature for all members of the family? Our young people are going to read something. If we place before them good reading material in our homes and church libraries, they will grow into the habit of good clean reading.

May I make some specific suggestions:

1. Take advantage of the denominational literature that is offered us.

2. Think what it would be like if this literature were not available to us.

3. Sunday School and Training Union quarterlies.

4. Brotherhood and WMU magazines.

5. Home Life.

6. Open Window.

7. Charity and Children.

8. Mission Magazines — The Commission and Home Missions.

The Foreign Mission Board reported an average circulation of 90,000 of the Commission last year.

The Commission and Home Missions have joined in making a

special offer for 1963. Both magazines are being sold for two years for \$3.00.

9. Biblical Recorder.

In 1883 the Biblical Recorder made its first appearance. Today it has more than 80,000 subscribers. Biblical Recorder should be in every home. Baptists need to know what they believe and why. Successful cooperation depends on information. The Recorder is an instrument of communication among our Baptist. This is important today as tension arises. When people know, they respond. When they are not informed properly, they become victims of rumor and misinformation. The purpose of the Recorder is to inform, to inspire, and to enlist the Baptist of our great state in a world program of missions.

CHILDREN'S HOMES

My report on the Baptist Children's Homes for 1963 is hereby submitted.

I have visited the Mills Home, and Kennedy Home, and found a well planned program. Each cottage is supervised by a house mother who cares for the children in the home very similar to the way a mother would care for her own family. All the administrative officers and personnel were operating in an orderly and efficient manner. In visiting the Charity and Childrens printing office a well equipped plant was found operating with complete efficiency. The printing office has 20 or more children in training at all times.

The Odum Home at Pembroke is doing splendid work caring for about one dozen children.

For several years there has been a growing need for specialized services for a large number of children who suffer emotional illness. This service is now being provided for a limited number of children in a small home just recently opened in Chapel Hill. Through the cooperation of University Medical Center these children are receiving the very best professional help that can be provided.

Foster homes are caring for better than 100 children. All our total homes are caring for around 600. More children were served during the past year than ever before in history. This service was made possible by the interest, prayers and financial support of North Carolina Baptist. All the homes express sincere appreciation for this support.

There is a pressing need for expanded services and the administration has made a study of this program. If support of the children already being served is to continue and facilities to care for the ever growing need of additional children is to be provided, greater financial support will have to be given.

Making a generous Thanksgiving contribution is most important and pastors, Sunday School superintendents, and all church leaders are challenged to make the best preparation possible for the forthcoming offering. Giving for the care of the dependent children affords one of the greatest joys in Christian service.

Respectfully submitted,
D. L. Todd, Representative

N. C. BAPTIST HOMES FOR THE AGING

The North Carolina Baptist Homes for the aging are providing

Christian nurture and love for a wonderful group of people in the golden years of life. Here the senior citizens live in an atmosphere of true Christian maturity, peace and happiness. There are four of these homes. The newest is the Hamilton Home, Hamilton, N. C. Resthaven and the Hayes Home are located in Winston-Salem. The Albemarle Home is located in Albemarle, N. C. The combined facilities of all these homes will serve 180 men and women.

The Baptist churches of North Carolina are the life line of this marvelous ministry in every respect and provide, through the Cooperative Program and the Special Day offering on the third Sunday in February each year, about one half of the total support needed.

There is nothing to hinder any financially needy aging Baptist among us from coming to one of these homes when space is available. Satisfactory financial arrangements can be made in each case, and no one would ever be prevented from being admitted for lack of funds.

The tie with our Baptist people and our Baptist churches is a blessed one indeed. The homes depend upon our prayers, our visits, our concern and financial support. The Homes receive only 1 3/10% of the amount contributed through the Cooperative Program. Or \$7.92 out of every \$1,000. Therefore, most of the support must come through Special Day Offerings.

North Carolina Baptists have given a good account of themselves in the ministry to the aging during these years of beginning, and we will continue to move forward in this area of concern.

N. C. BAPTIST FOUNDATION, INC.

The North Carolina Baptist Foundation was created by the Convention for the purpose of procuring endowment funds and for the administering of such funds, for all the institutions controlled by the Convention. It is independent of the causes it serves; but it is committed to the best interest of all concerned. Since July, 1962, the N. C. Baptist Foundation has established an office in the Baptist Building with a full time Executive Secretary and secretarial help. This is the first time that it has engaged in full time emphasis.

The Foundation is managed by a board of directors elected by the Baptist State Convention. Those elected are active members of a Baptist Church. They serve without compensation. The business ability, moral responsibility, and integrity of Board members is carefully considered.

On July 30, 1962, the assets were \$303,186.66. The assets as of June 30, 1963 were \$324,256.39. The Foundation has emphasized the fact that it exists to serve all Baptist. Those who have relatively small amounts of money or personal property will find the foundation is just as anxious to serve them as it is to serve the large estates.

Through the Foundation one can get lasting value from his or her earthly possessions by contributing to the endowment funds of any North Carolina Baptist or Southern Baptist cause. All inquiries should be addressed to: C. Gordon Maddrev, Executive Secretary, North Carolina Baptist Foundation, Inc., 301 Hillsboro Street, Raleigh, N. C.

BAPTIST HOSPITAL

You and I have an opportunity for serving the thousands of people who are sick in body, mind and spirit, and who come to our Baptist seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and to our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budget designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The \$176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Leo F. Hawkins
Hospital Representative

COOPERATIVE PROGRAM

The Cooperative Program helps us to see a total world missions program. Through this means our churches are able to present a united front, and to develop a unified approach.

The Cooperative Program has enabled North Carolina Baptists to share in the denomination's program of witnessing, teaching, healing, and preaching at home and to the ends of the world. z

The individual Christian worships with tithes and offerings in his local church. The church plans a budget and decides what portion shall be given to all denominational causes through the Cooperative Program.

Contributions from the churches through the Cooperative Program for all causes are sent to the convention in Raleigh. Southern Baptist Convention causes share the south wide part of the Cooperative Program dollar, presently the Cooperative Program is being divided 34% for south wide causes and 77% for state causes.

North Carolina Baptist Convention causes share in the Cooperative Program's dollar in accordance with the decision of the messengers at the annual state convention meeting.

Our churches are urged to increase their giving through the Cooperative Program by at least 35%.

During the past associational year churches in the Calumbus Baptist Association ave a total of \$0,000.00 through the

Cooperative Program. In the year ahead, above all things, let us determine to be faithful to the guidance of God's spirit and share with the lost world to the limit of our ability.

We recommend that our churches focus attention upon world missions, using four Wednesdays in October, or some other month, as Cooperative Program emphasis month.

We further recommend that every church in the Association give prayerful consideration to increasing the percent now being given to missions through the Cooperative Program.

Respectfully submitted,

Daniel M. Spell

MINISTERS' RETIREMENT

Suppose your pastor died? What arrangement would you as members of his church have made for the wife and children he would leave? This is a serious question and I appeal to you to pray about it and do something about it.

The Southern Baptist Convention through its Annuity Board has done something about the question above, but the churches have to implement the program. Let us consider the Southern Baptist Protection Plan.

The Southern Baptist Protection Plan is a plan whereby you as a church can give protection to your pastor and family. Suppose your pastor makes \$4,000.00 per year. The dues from your church will be 5% or \$200.00 per year. The pastor will pay dues of 5% and the North Carolina Baptist Convention will pay 5%. Some churches pay their part and the pastor's part.

If your pastor were in the plan for 20 years before retirement at 65, he would receive an annuity of \$1,200.00 per year the rest of his life. If he died before retirement, his wife and children would receive an annuity.

If your pastor were in the plan for 36 years before retirement, he would receive an annuity of \$2,160.00 per year the rest of his life. When death occurred, his wife and children would receive an annuity.

A new benefit has been added. If a pastor dies of natural causes before age 40, his widow would receive the average salary on which the dues had been paid, plus the regular widow's benefits. If death occurred from accident, the lump sum on the average salary would be doubled.

I believe God expects churches to take good care of their ministers and make adequate provision for them. Every church can have some protection for its pastors. You may not be able to pay the full amount, but you can make a start.

If you are not in the Southern Baptist Protection Plan, I shall be happy to give you more information and let you know how to begin participation immediately. In Acts 20:35 we read, "It is more blessed to give than to receive." Churches should remember this verse and make the finest provision for their pastor.

Thomas C. Faircloth

BAPTIST COLLEGES

Enrollment reports from our seven Baptist Colleges indicates that 9,189 students were enrolled for the Fall Semester, 1962. Of

special interest this year is the fact that Campbell College graduated its first senior class. Mars Hill will be graduating its first senior class in the spring of 1964.

We continue to see the important role our colleges are playing in preparing not only leaders in the Christian vocations but also laymen trained in Christian leadership. North Carolina Baptist Colleges now have missionary alumni who are serving around the world. Almost 200 dedicated men and women are preaching the gospel in many lands and in many tongues. We must remember that in addition to this wonderful contribution, our schools are sending hundreds of graduates back into the local community with a direct interest in missions and other phases of church work.

The Christian Education emphasis for 1964 will be **Christian Vocational Day**. This will be a day for "calling out the called," the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to these.

It is the hope of the colleges to make this a permanent emphasis, not only in the "calling out of the called," but in recognizing the role which the layman plays in the church and community.

In addition to this, we hope to make the Christian Education Day offering next year a great offering to help those young people answer the call to fulltime Christian service and go to college. The colleges feel that too long this area has been neglected. While thousands of dollars are available for scholarship funds in this country for those who want to study science, technology, teaching or many other professions, there has been no corresponding effort to help the Christian vocational workers overcome their financial problem.

All the churches and all the Christian people in our state are urged to join hands in 1964 in making it a great year when we "call out the called," and seek to provide adequate funds for helping these young people go to college.

William B. Rogers

FELLOWSHIP COMMITTEE

At the request of the Executive Promotion Committee, the Fellowship Committee met with the pastors and deacons of the Livingston Baptist Church, May 17, 1963, to discuss with them their letter of withdrawal from the Columbus Association, which was in the hands of the Executive Promotion Committee.

After a discussion of the matter, it was the opinion of the Committee that the church had freely considered the matter and that it was a firm decision they had made.

With this in view, the Committee recommended to the Executive Promotion Committee, meeting at the First Baptist Church, Whiteville, June 17, 1963, that the resignation of the Livingston Church from the Columbus Association be accepted. This was done by a unanimous standing vote.

EVANGELISM

As we close the record book upon another Associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

During the year churches have reported additions as follows: By baptism 328. By letter 260. Total 588.

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best efforts under God in evangelism. Plans call for Jubilee Revivals in every Baptist Church on the North American Continent.

Southern Baptist's Top Plans for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

HISTORIAN

For the past several years we have been striving to secure written histories of each church in Columbus Baptist Association, but with only limited success. The Association voted recently to print the histories of two churches each year in our Annual Minutes, in alphabetical order.

We have for our forthcoming Associational Minutes a history of Antioch Church. We hope that this well-written history will serve as a guide for other churches in preparing a written record of their church activities over the years.

As far back as 1955, we attempted to secure a historian from each church, again with only limited success. We feel sure that there is in each church in our Association some one interested enough in maintaining records who would serve as historian for that church. If your church does not have a historian, please have one named and notify me. For our minutes for the church year 1964 we particularly need histories of Boardman, Bolton, and Brunswick Churches.

Records of the Association are fairly complete. We have minutes of years from 1920 to the present, and lists of moderators, meeting places, clerks and preachers from 1890 to the present, as well as other records of former years. Please feel free to call on your historian if you wish to use these records.

HISTORY OF ANTIOCH BAPTIST CHURCH

Antioch Baptist Church was organized on April 25, 1918, by the Rev. G. W. Stanley, with assistance of Deacons B. White, F. M. White, and A. T. Ward. Charter members were D. J. Norris and L. M. White, deacons, and C. P. Jolly, N. S. Jolly, L. C. White, G. W. White, A. L. Ward, W. E. Ward, J. F. Stevens, C. D. Blackman, Ernest Blackman, Esmer Blackman, Emma White Beatrice White, Amanda Jolly, Cora E. Ward Ethel Ward, Bessie Norris and Bernice Norris.

The Baptist Articles of Faith and the church covenant as set forth by Pendleton were read and adopted by the church. Immediately after the organization of the new church, a conference was called and G. W. Stanley was extended the call as the first pastor of Antioch. The call was accepted. L. C. White was elected clerk and N. S. Jolly was named treasurer.

Soon after the organization of the church, a one-room building was erected. In later years Sunday School rooms were added and last year a modern heating system was installed.

Antioch Church has produced two pastors. One, the Rev. Garland Singletary, now dead, was ordained into the ministry by Antioch Church and became one of the best-known and most beloved pastors of our state.

The present pastor, the Rev. S. W. Jolly, grew up in the church and was called to his first pastorate at Antioch on October 1, 1948. He is now in his second tenure as pastor.

In addition to Revs. Stanley and Jolly, the following have served as pastors at Antioch: K. L. Stanley, W. A. Coleman, G. R. Hunt, C. R. Hinton, C. V. Simmons, P. B. Coates, R. W. Strickland, Gaston Hester, L. L. Todd, R. H. Kelly, J. L. Hooks, S. C. Davis.

WITH YOUR ASSOCIATIONAL MISSIONARY

"Thank you so very much" is certainly our very first thought toward you, our good people of the Columbus Baptist Association, as we come to the close of another associational year together.

Your love and cooperation made it possible for your Associational Missionary and family to attend our Southern Baptist Assembly at Glorieta, New Mexico, and to visit some of our mis-

sion stations in the west. The information and inspiration from these, we have shared and want to continue to share with our churches. We have slides of some of the mission work and will gladly show these in your church or for your organizational meetings on your invitation.

The cooperation of pastors and people have helped us very much in the promotion of our Lord's work in our churches and our associational program. Your missionary has served or visited every church in our Association during the past associational year, serving some of them on several occasions. It is most delightful when the pastors and people invite the missionary to share in the calendar of the church and its promotional activities.

LISTED BELOW ARE SOME OF OUR ASSOCIATIONAL PROMOTIONS THIS YEAR:

1. BOOK OF REPORTS

Prepared for your convenience during this two-day Annual Session of our Association, and for your future reference.

2. CALENDAR OF ACTIVITIES

Our Youth Camp was conducted August 19-23 at Pineland College, Salem, N. C., instead of the usual campsite at N. C. Baptist Assembly at Fort Caswell. This change was due primarily to the smaller cost to the camper. There were 326 campers and 24 counselors attending. A number of boys and girls attending camp accepted Christ as Saviour and Lord and are now active in the work of their local church.

11. ASSOCIATION BULLETIN

Regular bulletins have kept our people informed as to news and promotions in our Association and Convention Program.

MUSIC

The Music Department of our Association is now organized. We are very happy to announce that we have dedicated members who are anxious to serve in the name of our Lord.

Christian churches have always utilized music as a medium

of worshiping, teaching, training, and evangelizing. During the past few years there has come a renewed awakening to the value of music in Gods work. More individuals are preparing themselves for music service than ever before. Today, more churches are providing music training for their members than anyone dared to predict only a few years ago.

Our Convention has a superb music program outlined for us. The Music Festivals have proven a great help in our churches. Tabor City and Smyrna churches participated in this past year. Can't we have at least two more added to these for this coming year? May we praise God this year with our voices — through singing — that He has wondrously blessed us with.

Mrs. D. M. Spell, Director

MISSIONS COMMITTEE

"Schools of Missions," one of the most meaningful programs promoted by our Southern Baptist Convention, can have a GREAT CHRISTIAN INFLUENCE over the life of every church and its people as we cooperate to bring to our Association, missionaries from many mission fields of the world.

So tremendous will be the impact of this program upon the spiritual life of our people that a special "Steering Committee" has been appointed for its direction and promotion. Every church can experience great blessings through participation. It is not too late even now for your church to enter if you will contact our Association Missionary, Arch Cree, immediately.

WOMAN'S MISSIONARY UNION

"It was good but it is past." These words spoken by Miss Fannie E. S. Heck apply today to the 75th Anniversary Year of Woman's Missionary Union. The year of retrospect is over. Looking back at the beginning of WMU "75" years ago, we came face to face with the dedication and fortitude necessary to preserve the heritage which is ours today. It is pleasant looking back and thrilling to note the courage and sacrifice of the missionary women of yester-year. It is a sobering experience, however, as we bring our glance to the present and realize that the heritage of future generations lies in our hands. Are we equipt to meet this challenge?

Indeed, we have the organization. Since our associational beginning in 1910 we have continued to grow until we now have 38 societies, — YWA, — G. A., and — Sunbeam Bands with a total enrollment of ———.

We also have the program. Our plans of work as stated in the Aims for Advancement affords each woman and young person the opportunity for Christian development in every area of life. Each year more organizations are receiving recognition for attaining these aims. This year First Church Whiteville was an Honor WMU for the third consecutive year. Organizations attaining recognition this year were:

ORGANIZATION	HONOR	ADVANCED	APPROVED
WMS	Whiteville, First	Mt. Zion Pleasant Hill White Marsh	Boardman Western Prong
YWA	Hallsboro Whiteville, First	Western Prong	
G. A.	Hallsboro Jrs. Whiteville Jrs. White Marsh Jrs. White Marsh, Int.	Brunswick Hallsboro, Int.	Whiteville, First, Int. Cerro Gordo Mt. Zion Tabor City Jrs. Western Prong Trinity Pleasant Hill Int.
SUNBEAM BANDS	Tabor City 4-5-7-8 Yr. Olds Whiteville, First 8 Yr. Olds White Marsh Begin. and Prim.		Hallsboro Begin. and Prim. Waccamaw Western Prong Begin. and Prim.

Missionary Societies of Hallsboro, White Marsh, and Whiteville, First, were recognized for attaining at least 12 of the "75th Anniversary Goals. Western Prong Junior G. As. and White Marsh G. As. also received recognition for attaining 5 of their "50th" Anniversary Goals. Yes, we do have the organization and program necessary for a promising future. We also have the potential power with which to make this future a certainty—the power of PRAYER. Let us be very sure that this power is the motivating force as we continue to "Labor together with God . . . that the world through Him might be saved."

SUNDAY SCHOOL

It would be hard to imagine a local church without a Sunday School. Verily, the Sunday School is a definite part of the church and should never be ignored by those who lead churches.

Better Sunday Schools, however, is a deep need. Five things are herewith called your attention: (1) Locate the people; (2) Enlarge your organization; (3) Provide the space for the people; (4) Train the teachers and officers; and (5) Visit the people. These five things seem simple on the surface, but they call for the best in study and planning, and the officers and teachers and leaders of the Sunday School must constantly be on guard, lest they run into frustration and wonder what is wrong.

The program of your association and denomination is designed to help you have a better Sunday School. It is a known fact that those churches which study the program, apply it to their own local situations and lead the officers and teachers to be zealous in the practice of it have the best Sunday Schools.

The denominational theme for 1963-64, which ought to be our theme, is "Outreach for the Unreached — Spearhead for Evangelism." Every church is challenged to make plans now to use the Sunday School in the Sunday School Witnessing Program next January or February in preparation for the Jubilee Revivals in March.

The foundation for evangelism is personal soul-winning. My personal soul-winning is meant a face to face, heart to heart and voice to voice sharing of the experiences of salvation with another with a point of view for a challenge to accept Jesus as personal Saviour and Lord. Too long have teachers and officers of the Sunday School neglected this foundation.

With all my heart I believe that the time is far spent and the time is at hand for the teachers and officers of the Sunday School to go out to where the people are, make friends with them and then tell them the greatest thing in the world — that Jesus is the personal Saviour and Lord of all those who will trust Him.

Thomas C. Faircloth
Sunday School Superintendent

TRAINING UNION

This has been one of the most fruitful years we have ever experienced in Training Union. It all began December 10, 1962, at the Tabor City Baptist Church when more than 500 were present for our "M" Night program. Mr. and Mrs. W. A. Mitchiner, traveling missionaries from Oxford, N. C., presented our program.

On Friday, April 19, 1963, approximately 150 of our Young People participated in Youth Night at First Baptist Church, Whiteville. The program was directed by a group from Wingate Junior College.

On May 3-5, 1963, approximately 25 of our young people attended the Training Union Youth Convention in Boone.

Two of our girls, Miss Rebecca Floyd and Miss Beverly Hughes from Trinity Baptist Church, were state winners in Junior Memory Work. This is another first in our Association.

Another highlight of the year occurred on June 25, 1963, at the West Whiteville Baptist Church when we featured our Juniors

in a special program. Dr. Francis Chesson, pastor of the Whiteville First Baptist Church, brought a challenging message on "The Junior and His Church."

Plans have already been made for "M" Night 1963. Rev. and Mrs. Judson Lennon, missionaries to Thailand, will be our special guests.

As Training Union Director, I would like to express my sincere appreciation to our Training Union Officers of the Association for the work they have done during this year. It is my prayer that 1963-64 will be the best year ever.

Respectfully submitted,
Charles Bullock
Training Union Director

BROTHERHOOD REPORT

The Associational Brotherhood under the dedicated leadership of our Associational Missionary tried to bring needed programs for spiritual growth before the men of the Columbus Association. The school for deacons was well received, and attended by the men. The last meeting of the year will be lead by Dr. George W. Schroeder, Executive Secretary for the Brotherhood Commission of the Southern Baptist Convention. All the men of the Association are urged to attend this meeting.

We feel that some honest questions and answers are needed concerning the work and place of our men in service to Jesus Christ. Please study the following questions very carefully: Do you want men to accept Christ as Saviour? Do you have men in your church that visit lost people and witness to them about Christ? Do you have more men in your church than you need to carry out God's work? Do you have men volunteering for service in Sunday School, Training Union? Do you feel that all the men in your church are living in close fellowship with God? Do you feel that men are not needed to carry out the spiritual ministry of the Lord?

We hope that each pastor and leader in the churches that do not have Brotherhood, will consider these questions prayerfully. If you cannot answer these questions to your own satisfaction please pray for the guidance of the Holy Spirit, then make effort to study the Brotherhood organization; if the Spirit leads adopt the parts best suited for your men and their situations.

If you have a Brotherhood that has ceased to function, then invite your Brotherhood president and some other dedicated men to meet with you in your study, and ask God about the situation on your knees. As you continue to sincerely pray, He will lead you in the right direction.

Sincerely yours,
Joe Sellers, President

YOUTH CAMP

The Columbus Baptist Association Youth Camp was held August 19-23, 1963, at Pineland College, Salemburg, North Carolina. This was our first camp to be held at this location. There were 326 campers and 24 counselors, making a total of 350 attending.

We rejoice in the privilege of ministering to the youth of our Association in this way. To God be the glory for the accomplishments that were made in the hearts and lives of our young people during this week at camp.

Dedicated to the task and hard work on the part of the camp committee and counselors a program of music, Bible study, missionary messages, periods of worship and special features were provided which brought about professions of faith, definite decisions for full time Christian Service and many rededications in the lives of many boys and girls.

It is the prayer of the camp committee and workers that the various churches will follow up this week of Christian experiences with proper attention, guidance and training for these young people.

RESOLUTIONS

Whereas, this has been an Annual Session of high order and has been very inspirational and the fellowship great, now be it resolved:

1. That we express our sincere thanks and appreciation to the work of the officers of the Association and to every member of every committee and to every person local and visiting who has taken part on the program.

2. That we express our appreciation to our Moderator for his sincere interest in the various churches of our Association, which he has expressed by visiting in so many of them.

3. That we express our appreciation for our Missionary for his diligent and thorough work throughout the area of our Association during the year. The "Book of Reports" prepared for this Annual Session is but an example of his fine work.

4. That we express our thanks to the New Hope and Riegelwood churches for the noonday meals so excellently prepared and served and for all the kind things they did for our comfort.

CONSTITUTION AND BY-LAWS

PREAMBLE

We, the messengers of Baptist Churches of Columbus County, do hereby propose to establish and maintain the order and rules of a District Association in conformity to the following plan:

ARTICLE I. NAME

This organization shall be known as the Columbus Baptist Association.

ARTICLE II. OBJECTIVES

The objectives of the Association shall be to elicit, combine, and direct the energies of Columbus Baptists in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the North Carolina Baptist State Convention, and the Association itself, to promote fellowship and good-will among the Churches; and to devise and promote measures for increasing the harmony, intelligence and spiritual powers of the churches.

ARTICLE III. MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Baptist Churches in Columbus County that shall be represented at its regular or special meetings by duly elected messengers in the following ratio: (1) Three (3) for the first one hundred members or fraction thereof, and one for each fifty additional members, but provided that no church may have more than 10 messengers. (2) All ordained ministers who are serving as pastor within the Association, Associational Officers and Committee members.

Section 2. Messengers shall be members in good standing with the church they represent, and their names must appear on the letter from their church to the Association to entitle them to be seated as messengers.

Section 3. The Association shall be sole-judge of its membership, and may reject or receive churches applying for membership therein at its pleasure, provided that the churches so received shall come under the watch-care of the Association for a period of one year. During this period such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting or holding office. At the conclusion of this period, should no valid objection be raised, they then become members in regular standing by action of the Association.

Section 4. The Association shall encourage the organizing of new Baptist Churches within Columbus County under the leadership of any pastor, Church, Churches, or interested persons of the

Association. If a new church contemplates being received into the fellowship of the Association after its organization, those who are to compose its charter membership and those leading in its organization are urged to seek the counsel of the Executive Promotion Committee and shall proceed with the organization only after approval is given.

Section 5. A Church seeking admission into the Association shall present its application to the Committee on Fellowship, and furnish the Committee with such information as it may require about the Church. The Committee may then recommend that such Church be received under the watch-care of the Association for the period of one year from the date of that Associational Meeting.

Section 6. The Association may at any time dissolve connection with any church that becomes disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Section 7. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE IX. POWERS AND PREROGATIVES

The Association shall have no power whatsoever to infringe upon the right of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectively promote the causes of Christ throughout the world.

ARTICLE V. DUTIES OF CHURCHES

It shall be the duty of each church to appoint messengers, to insist upon their attendance at Associational meetings, to contribute toward the expense of the Association, and to send annually a report to the Association which gives information requested in forms provided by the Associational Clerk.

He described the customs of the people of Africa, then spoke on the hospital given to the people in the Bush Country in answer to prayer. Medical missions so greatly needed. Natives are interested in getting well and willingly listen to the gospel messages as they are being treated medically. The missionaries' greatest aim and desire is to preach

the love of God, that sustaining force. His message was based on the following points:

- A. Preach the love of God through Medicine
- B. Preach the love of God through Experience
- C. Preach the love of God through Education
- D. Preach the love of God through Church Evangelism.

Revival in Depth will come when Christians reach deep into their own lives. Mr. Phillips closed his message with prayer.

33. An address by Dr. Clifton Allen, Editorial Secretary, Baptist Sunday School Board, Nashville, Tennessee, followed, using the subject "Dynamic Christianity". Dr. Allen indicated there are many voices to be heard, some are those who think of Christianity from a statistical standpoint. Too, there are those who are saints but who feel we are going downgrade. We need to look at ourselves not from a critical standpoint but as God sees us. No one should sit in judgment without becoming involved. The prevailing Christianity is disturbingly low. Dynamic Christianity is true Christianity. The gospel is the power of God unto salvation everywhere in the world.

Salvation is an experience of the power of Christ. Salvation is a dynamic process for the continuation of the Christian life. Salvation is a beginning, a continuation, and a culmination of the

Christian life. Marks of a Christian are:

- A. They believe that Jesus Christ **CAME**
- B. They believe that Jesus Christ **LIVED**
- C. They believe that Jesus Christ **DIED**
- D. They believe that Jesus Christ is **LIVING**
- E. They believe that Jesus Christ is **RETURNING**

The early church knew the joy of Christian fellowship by sharing their worldly goods. Many of our own testimonies are of conversion, while we should be testifying as to the present. Never to boasting but to the glory of God. The early Christians (everybody) went everywhere telling the story of Jesus. How can we capture the **DYNAMIC**?

1. Identify Christians.

Can you identify a Christian in this world? The love of the world has become the accepted pattern of Christian living. We shall never recover until we break from the things of the world.

2. Through the power of God's living Spirit.

When have you heard of a congregation "Humbling themselves **naturally** before God"? We shall have to have a revival in spirit if we are to experience a "Revival in Depth".

34. The congregation joined in singing one stanza of "Wherever He Leads I'll Go".

35. Dr. George Schroeder, Secretary of the Southern Baptist Brotherhood, brought an excellent message on "Stewardship Enlistment". He indicated that stewardship is not money centered. Giving of money is simply an expression of your love for Christ. We need to reevaluate what we are doing in enlistment, then give our people some deeper concepts. As workers of Christ we are deeply obligated to come and share and give to others something of what Christ has given to us. The nearer our church draws to the Lord, the nearer we draw to the world. Sunday should not be the climax of the week but rather the preparation for the coming week. If we are to change the pattern we must go to the people whom we serve and live with.

There are three areas which we as Christians should emphasize:

1. Try to develop in each Christian his place in the cause of Christ. The place of the person in the pew is just as great a responsibility as that of the minister in the pulpit. The function of a Baptist preacher is to **equip the saints** that they may go into the world and be the kind of workers they ought to be for Christ.

2. Build an understanding that there must be a relationship between his religion and his daily work. We will never win the world for Jesus inside the church doors. We must go where people are.

3. If we leaders fill our places in God's Kingdom, we must cause our people to be involved in every place in life where he is.

36. Rev. Eugene Walter made announcement concerning lunch by the host church, then offered a prayer of thanksgiving.

SECOND DAY — AFTERNOON SESSION

37. The congregation joined in singing "Loyalty To Christ".

38. Rev. Howard Pless, pastor of Piney Forest Baptist Church,

led in a brief devotion, reading from Mark 12:28-31, then leading in prayer.

39 Mrs. Horace Whitley brought the report of the W. M. U., then stated that our motive of leadership will not prove worthy as long as we look at figures rather than at souls.

A. Pray for ourselves that we may use to the utmost that which God has given us.

B. Pray for others that God will use us to help them.

40. Dr. Farrell Runyan, missionary-evangelist from Nigeria, West Africa, used Acts 1:8 and Matthew 24:14 as a base for his message.

"Revival in Depth" is Christianity getting back to normal. Materialism affecting the world. We feel that we can buy anything with money. We need to get back to God. The field is the world—that's where Jesus wants you. The world is not afraid of the church because seldom does anything happen in the church. How can we be witness to a lost world when we are so much like the world?

The world needs the gospel as it has never needed it before. More than 80 million people in the United States are not Christians. Only 2% of the people of New York City go to church. The LOOK of the church is the responsibility of the church. Look upon the fields. The greatest witnessing is not for the theologian but for simple witnessing. To succeed there must be a loyalty to Christ rather than to a church. Every organization in our churches ought to be a powerful witness because people witness. We are not having moving revivals today because we leave the Holy Spirit out.

41. Mr. Jimmy Brisson again stirred our souls with another message in music.

42. Recommendations for Constitutional changes were recommended by Rev. Edwin Bullock and adopted by the association.

43 Mr. S. P. Stanley, treasurer for the association, brought the treasurer's report and the proposed budget for 1964-1965, both of which were adopted.

44. Mr. J. B. Jones, Moderator, remarked on the excellent financial condition of our association, stating that it is the best it has been in a number of years.

45. Rev. C. E. Brisson, member of the Ordinations Committee, reported that the examining council of the association met on January 26, 1964, for the purpose of examining Brother Howard Fowler for the ministry. Brother Fowler has been called to pastor the Friendship Baptist Church in the Brunswick Association. The council met again on Thursday, October 8, 1964, for the purpose of examining Brother Hughet Godwin for the ministry. Brother Godwin has been called as pastor of Cedar Grove Baptist Church. Brother Godwin has been supplying that church for a short time as supply pastor.

46. The following reports were referred to by the Moderator and adopted by the association in the absence of committee representatives: Time-Place-Preacher, Missions, Historian, and Committee on Committees.

47. The new Moderator, Rev. Maurice Gilliam, was presented by the retiring Moderator, J. B. Jones.

48. The Associational Missionary was called on for explanation of special features to be emphasized in the 1964 Calendar of Activities.

49. Words of Commendation from Rev. Leo Hawkins to J. B. Jones, retiring Moderator, for his untiring service to our association. A rising vote of thanks by the congregation followed.

50. Memorials were read and prayer offered by Rev. C. E. Prisson, after which the congregation joined in singing "Marching To Zion" as a dismissal song.

RECOMMENDATIONS OF CONSTITUTION COMMITTEE

The Constitutional Committee met on September 18, 1964, in the office of the Missionary of the Columbus Baptist Association. Present were Ben Nesmith, III, Reverend Eugene Walters, Archie Cree, D. Jack Hooks; urgent business prevented Reverend Charles Bullock's attendance.

After the meeting was opened with prayer consideration was given to our constitution and the changes deemed necessary in light of the present needs of our Association. After careful and prayerful consideration the Constitutional Committee unanimously voted to recommend to this Association that our constitution be amended as follows:

1. That the words "Executive Promotion Committee" at the end of Article 7, Section 6 be deleted and there be inserted in lieu thereof the words "Associational Council".

2. That all of Article II, Section I be deleted and there be inserted in lieu thereof the following: The Executive Promotional Committee shall be composed of the Pastor of each Church in the association, the two members (either men or women) presented by each church to the Association on the church letter, and the following Associational officers: Association S. S. Superintendent, T. U. Director, W. M. U. President, Brotherhood President, Mod-

erator, Vice-Moderator, Clerk, Terasurer, Historian, Youth Camp Director and Music Director.

3. That Article 12, Section 1 be amended to include the office of Music Director by inserting same immediately following Youth Camp Director, and that the words "and Music Committees" be deleted from this section.

4. That Article 13, Section 8 be amended by adding thereto the following: This committee shall also, when invited by the Vacation Bible School Superintendent or the Associational Missionary, assist in promoting and maintaining Vacation Bible School wherever needed in the Association.

5. That Article 14 entitled "Adoption" be deleted in its entirety.

6. Article 3, Section 5. Committee on Credentials be changed to read "Committee on Fellowship".

Respectfully submitted,
Ben Nesmith, III
Rev. Eugene Walters
D. Jack Hooks, Chairman

COOPERATIVE PROGRAM

WHAT IT IS

The Cooperative Program is the channel through which North Carolina Baptists support the world ministry committed to them by Christ in the Great Commission. With gifts through the Cooperative Program the individual Baptist and church share in the denomination's program of witnessing, teaching, healing and preaching at home and to the ends of the earth.

The Cooperative Program is the love of God in action; the hands of Christ at work.

HOW IT WORKS

The individual Christian makes his contribution through his church, the church as a whole deciding what portion shall be given to all denominational causes through the Cooperative Program.

Contributions are sent to the State Convention Office in Raleigh and there divided between State and Southern Baptist causes according to instruction of the Baptist State Convention of North Carolina.

Funds for State causes are distributed on basis of the budget adopted by the North Carolina Baptist State Convention.

Funds for Southern Baptist Convention causes are sent to the Executive Committee in Nashville, Tennessee, and distributed to the various causes on the basis of the budget adopted by the Southern Baptist Convention.

So each individual Christian in one gift may share in our total World Mission Program.

HOW MUCH TO GIVE

Every individual Christian will worship with tithes and offerings each Lord's Day as he is led by an enlightened conscience and the Spirit of God.

Churches are urged to adopt a budget and to include the Cooperative Program on the basis of a definite percentage, no less than ten per cent.

In planning new budgets each year churches are encouraged to increase the percentage of the total budget allocated for World Mission THROUGH the Cooperative Program by at least 2 percentage points until as much is given for World Missions as for local ministries.

Daniel M. Spell

CHILDREN'S HOMES

To Columbus Baptist Association: I hereby submit report of Baptist Children's Homes for 1964:

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust in themselves, in adults and in God.

The latest addition to our child caring institutions located in Chapel Hill with facilities to take care of five emotionally disturbed children, is in my opinion filling one of our greatest needs. Steps should be taken to expand our services to children needing this kind of care.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all, I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care programs for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help.

DENOMINATIONAL LITERATURE

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The Biblical Recorder, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the

Baptists of North Carolina.

Never has there been a day when the Christian witness was needed in dealing with the problems of the world. The church work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptist fill these needs all Baptist literature should seek to inform the people properly.

The Recorder staff gathers, sifts and publishes significant news from as many sources as possible. News from the Southern Baptist Convention and the entire Christian world is presented.

It is becoming necessary for responsible publications to help readers understand the meaning of events. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. Close contact with denominational leaders, pastors and others, will help each one of us understand the meaning of events that happen.

Like the individual Christian, Baptist literature has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for our state paper, THE BIBLICAL RECORDER, both within and out of our denomination. It is time someone from each of our churches takes the lead in seeing that every family in your church, receives the Recorder and other Baptist literature.

Mrs. Howard Creech,

N. C. BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of his love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to be able to care for 30 additional residents. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Pradher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home.

Today North Carolina Baptists are contributing an average of 90 dollars a month to the Homes for the aged. This support

comes through the Special Day Offering and through the Homes' share in the Cooperative Program.

The youngest resident has celebrated her 66th birthday and the oldest her 103rd birthday. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs.

Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern.

Respectfully submitted,
Mrs. R. C. Sherrill

REPORT ON BAPTIST COLLEGES

ENROLLMENT — (Fall Semester, 1963)

Campbell	1,836	Meredith	900
Chowan	967	Wake Forest	2,958
Gardner-Webb	754	Wingate	1,117
Mars Hill	1,335	Total	9,867

(Total enrollment including second semester and summer school is more than 11,000).

The seven Baptist colleges in North Carolina represent one of the finest systems of higher education in America, and have received wide recognition from accrediting agencies and other standard-making groups.

These colleges are strategically located in every section of the State — from the Coastal Plains to the Blue Ridge Mountains. They are accredited institutions, providing quality education each year for more than 10,000 students.

A famous educator says that good education causes a person "to think effectively, communicate clearly, make relevant judgments, and discriminate among values." The Christian College believes that only in the mind of Christ can these objectives be truly reached.

During the past 25 years North Carolina Baptist Colleges have enjoyed a phenomenal growth. Today in these seven Baptist colleges we have enrolled more than 11,000 students. The total property value of the colleges exceeds \$60,000,000.00. These colleges have graduated almost 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in church music.

The Council on Christian Education is now engaged in a serious self-study, which includes the theological basis for Christian education; the objectives of a Christian college; the responsibility of a Christian teacher; and the place of worship in the life of the campus. Of special interest to our Associations will be the portion of the study dealing with the ministerial student and the Christian vocational worker. This study will deal with the problem of enlisting more young people in full-

time Christian service, studying ways and means of more financial help; and this study will also be concerned with how the churches and the colleges can work more closely together to meet these needs.

The colleges would like to take this opportunity to express through the Association to our Baptist churches a genuine appreciation for the support which is making possible the continued operation of these colleges.

William B. Rogers

BAPTIST HOSPITAL

Through the Mothers Day Fund you and I have an opportunity for serving the thousands of people who are sick in body, mind and spirit. These come to our Baptist Hospital seeking help. Most of them will be seriously ill. They will come from all walks and circumstances of life.

The Mothers Day Fund which we provide by our special offering, is one way we can reach out the hand of love. Dedicated doctors, nurses, chaplains and many others have reached out in this great work. The Cooperative Program gifts must go to pay for buildings, purchase equipment and Pastoral Care.

We wish to thank each and every person who has taken part in this Ministry.

Levone Herring

HISTORIAN

For the past several years we have been striving to secure written histories of each church in Columbus Baptist Association, but with only limited success. The association voted recently to print the histories of two churches each year in our Annual Minutes, in alphabetical order.

We have for our forthcoming Associational Minutes a history of Boardman Church. We hope that this well-written history will serve as a guide for other churches in preparing a written record of their church activities over the years.

As far back as 1955, we attempted to secure a historian from each church, again with only limited success. We feel sure that there is in each church in our association some one interested enough in maintaining records who would serve as historian for that church. If your church does not have a historian, please have one named and notify me. For our minutes for the church year 1964 we particularly need histories of Bolton, and Brunswick Churches also.

Records of the Association are fairly complete. We have minutes of years from 1920 to the present, and lists of moderators, meeting places, clerks, and preachers from 1890 to the present, as

well as other records of former years. Please feel free to call on your historian if you wish to use these records.

Respectfully submitted,

HISTORY OF BOARDMAN BAPTIST CHURCH

Compiled by C. B. Sanderson

The Boardman Baptist Church was organized in 1907, during a period in which the town of Boardman probably was the fastest growing community in Columbus County. Just before the turn of the century the Butters Lumber Co. had established one of the South's largest lumber mills in the town, bringing in many new residents to the community. At one time Boardman's population totaled 800, and some of the finest homes in the state were located in the town.

It was during this period of growth that "a Yankee from Michigan," Mrs. Windfield Brewer, organized the Boardman Baptist Church. Among the charter members were Oscar Britt, Harley Britt, S. C. Fields, Will Ivey, Eli Fields, Oattie Cox, Ed Ward and Mrs. Brewer. The church began on a small scale but by 1912 had doubled in size. Sunday School enrollment was 350, but it was not a standard Sunday School. Men and Women's classes met in the auditorium, curtained off by drapes. The first Baptist Training Union in the church was organized in 1914.

A short time later the lumber mill was moved to Bladen County and the community lost quite a number of its citizens, many of whom were members of the church. The church continued to function, however. Plans for a new sanctuary were started in the early 1940s, and construction was begun at the end of World War II in 1945. The new sanctuary was dedicated in 1955 and in 1960 was remodeled and enlarged.

In 1949 church records were destroyed by fire.

Some of the pastors of the church were as follows: Asberry Paul, 1907; Methuel Stephens, 1909; Paul Britt, 1913; I. P. Hedgepeth, 1917; Gaston Stanley, 1924; Garland Singletary, 1930; Don Britt, 1935; Gaston Hester, 1945; J. W. Mears, 1950; Jimmy Halliburton, 1952; C. J. Ellis, 1954; and Levon Herring, 1962.

COMMITTEE ON ORDINATIONS

The Associational Ordination Committee functioned only once between the annual sessions. On October 8, 1964, at the request of the Cedar Grove Baptist Church, the committee in conjunction with leaders from said church, examined Hewitt Godwin and found him a worthy candidate to be ordained for the Gospel Ministry.

Mr. Godwin will assume the duties formerly exercised by Rev. Levonne Herring who had to resign due to poor health.

MINISTERS' RETIREMENT

The Annuity Board is the united effort on the part of our Baptist people to meet the needs of disabled and aged ministers, widows of ministers, assistant pastor, educational director, and ministers of music. The Board also administers retirement plans for various institutions, such as colleges, seminaries, hospitals, and children's homes. In the Southern Baptist Convention 66% of our churches are co-operating in the plan. Here in the Columbus Association we have 26 of our 44 churches participating in the program. The cost of the retirement plan is usually borne by the pastor who pays one-third, the church which pays one-third, and the state convention which pays a third. Our state convention is urging all of our churches to give earnest consideration to this annuity program and it looks forward to the time when the church can pay two-thirds of the cost (10% of the pastor's salary) and the convention's continuing to pay one-third of the cost (5% of the pastor's salary).

A church's participation in the Annuity program means more to the pastor than the fact that he can have some sense of security during his latter years. More important, it gives him the assurance of his people's love and concern as he gives himself wholeheartedly to the ministry of our Lord.

Francis S. Chesson

EVANGELISM

The special 5-year effort (known as Baptist Jubilee Advance) in evangelism and missions on the part of the Baptist of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May, 1964. What was done is now history and we cannot go back to improve or to change the record.

Our associational efforts in evangelism during 1963-1964 is as follows:

By Baptism 334; By Letter 233; Total 567.

This record represents some interest in evangelism but we can do better. Indeed, we must do better. If our Churches are not missionary in spirit then we are simply cumbering the ground. The only basis for any church's existence lies in the fact that she is a good steward of the gospel which is the power of God unto salvation.

It seems that every Christian ought to be engaged in evangelism. Why? Every Christian has a story to tell. "If any man be

in Christ he is a new creature." Again, every Christian has someone to aid him in telling that story. "Take no thought how or what ye shall speak, for it shall be given you in that same hour what ye shall speak." (Matt. 10:19.... Finally, every Christian has someone with whom he can share his Christian experience. "The fields are white unto harvest."

Effective evangelism in the church will depend upon many things, but let me mention four: First, there ought to be **perennial** concern for those outside the Kingdom. Men are lost not only in times of revival. They are lost until they become the recipients of God's salvation. Secondly, there is no substitute for **personal** evangelism. The lost are not won in the church house, but in the home and in the market place. Not the eloquence of the preacher preaching to empty pews, but the testimony of the redeemed making the most of wayside opportunities causes a stirring of the baptismal waters. Thirdly, our purpose in evangelism must be **proper**. An invitation to join a church has no more special appeal than joining some civic or fraternal club. But an invitation to accept Christ who can reconcile one to God is germane to the basic hunger of the soul. Finally, let us not forget, or be too proud to admit that the **power** for evangelism is the Holy Spirit. "Ye shall receive power after the Holy Ghost is come upon you and ye shall be witnesses . . ." (Acts 1:8).

I pray that all of our churches will be better stewards of the gospel this coming year.

Respectfully submitted,
James H. Johnson, Chairman
Committee on Evangelism

TRAINING UNION

The Associational Training Union did not experience major growth in additional unions organized, but we did experience spiritual growth beginning with "M" Night at Evergreen on December 2. Rev. Judson Lennon, Missionary to Thailand, spoke on "Be Thou Faithful." He portrayed with curios and films his work in Thailand.

On April 7, at Corinth Church, the Associational Tournaments were featured. Again Rebecca Floyd and Beverly Hughes participated in the Junior Memory Work going on to become State winners at Caswell. Doris Thompson of New Hope Church went on to Caswell and was a "runner-up." Mrs. Arthur Fowler participated in the Adult Scripture Reading from our association. Columbus Association was well represented at Caswell on April 13 for the Regional Convention.

Thirty-three young people and eight adults left First Baptist Church on May 1 for High Point and "The Youth Convention." On May 3, an inspired group returned.

Hinson's Cross Roads was the scene of our Youth Night on May 9 with 210 present. Conferences and recreation were planned under the direction of Rev. Fred Senter, Associational Youth Director.

The executive committee has made plans for "M" Night on December 1. The plans are shaping up nicely with a featured speaker already secured.

As Training Union Director, I would like to express my appreciation to our Training Union Officers of the association for the work they have done.

Respectfully submitted,
Edgar Hinson
Training Union Director

BROTHERHOOD REPORT

The work with the Brotherhood Organization in Columbus Association was not fruitless in 1963-64.

In the early part of the year we held a Clinic for the purpose of training Brotherhood officers in the local churches. This meeting was held in October at the Clarendon Baptist Church and a good many of our churches were represented.

In November on a Saturday night we had a very fine Men's Rally in First Church, Whiteville. Dr. George Schroeder, Brotherhood Secretary of the S. B. C. was our guest speaker and this was one of the finest and most inspiring meetings that we have ever had.

Special training for the R. A. Counselors was also offered during the year at a meeting at the Trinity Baptist Church. The R. A. Boys enjoyed an associational basketball league which provided entertainment and growth for them. These many experiences in camping and other programs in the local churches were spotlighted on a "Big Night" in July as the Boys held a Rally at the Boardman Baptist Church with excellent spirit and attendance.

The Associational Youth Camp gave opportunity for instruction and guidance in RA work.

Great joy comes, too, when Associational Brotherhood officers are invited to share and assist in the promotion in local churches.

Many of the plans for the new year have been made and it looks brighter for the Brotherhood Program than ever before. I am firmly convinced that if you strengthen your Brotherhood, you will strengthen your church. Look for your opportunities for meeting of training and inspiration and invite us to visit with you in your Brotherhood or R. A. meetings.

Respectfully submitted,
J. Edwin Bullock, President

MUSIC

Another year has passed and as we look back we ask, "What has been accomplished in the Music Department?" We have planned a Carol Sing and School of Music for the coming year.

The Tabor City and Smyrna Choirs participated in the choir festivals this past year. We thought that more of our churches would enter the festivals this past year, but we hope that many of our choirs will participate this associational year.

The Associational Music Officers would like to do whatever possible to help churches that need help in their music ministry. If you need us for anything in the way of music feel free to call on us.

Evangelism is the heart of the Southern Baptist program, and the place of music in evangelism cannot be overestimated. Music, preaching and personal work go hand-in-hand with soul-winning.

Sing Praises!

Respectfully submitted,
Mrs. Daniel M. Spell
Music Director

SUNDAY SCHOOL

The Sunday School is the teaching arm of the church and should be at the very center of every church's program. The leaders and teachers have a great responsibility and privilege to visit and witness for Christ.

Better Sunday Schools are greatly needed so that more people can be reached and drawn into the entire church program. Visitation on the part of our Sunday School leaders, teachers and members should be emphasized in every church. The responsibility to lead and show the way is upon those who have accepted the various positions of responsibility in our Sunday School. May each of us see and accept this as our duty.

The program of your association and denomination is designed to help your church have a better Sunday School. You are urged to use your association and the facilities of our State convention for the betterment of your Sunday School.

The denominational emphasis for 1964-65 is "The Adult Thrust". This is an emphasis upon the adults in our Sunday Schools and churches. Too many of our adults do not attend Sunday School or worship services. When an adult is absent, most likely the children in that family are absent also. Your attention to "The Adult Thrust" during 1964-65 could bring wonderful results for your Sunday School and Church.

Respectfully submitted,
C. P. Wayne
Sunday School Superintendent

WOMAN'S MISSIONARY UNION

The Associational WMU's goal for 1963-64 was to help the local WMU's to conserve the gains of our 75th anniversary year, to celebrate worthily the year of Jubilee, and to plan carefully for the future. In this, we were guided by the "3 Point Program for

Progress."

POINT I: Aim to Advance. And, "Advance we have!" More organizations than ever before received recognition on Aims for Advancement.

	WMS	YWA	G. A.	Sunb.
Approved	7	1	5	12
Advanced	3	2	3	x
Honor	4	2	14	8

For the first time we have two Honor WMU's. White Marsh has joined Whiteville First — their fourth consecutive year — in attaining this honor.

There was a total of 8 new organizations reported this year 1 WMS, 3 YWA, 1 GA, and 3 Sunbeams. All of these reported twice this year.

A total of 134 leadership cards were issued as a result of the two WMU Leadership Study Courses taught by associational officers.

POINT II: Celebrate the Jubilee.

Goals under this point included Prayer Retreats, 15% increase in offerings. Study of Baptist Ideals, personal soul-winning, reading the New Testament through during the year, informing members about total mission program of the church. These were promoted at our Associational Leadership Conference; WMU Leadership Study Course, Mission Study Institutes; Day of Stewardship and Annual Meeting.

POINT III: Present Post Jubilee Program.

This was an introduction to the denomination emphasis for 1964-69 "A Church Fulfilling Its Mission." Programs carried in the July-September Royal Service interpreted this point.

The emphasis are as follows:

1964-65—Worship

1965-66—Proclamation and Witness

1966-67—Education

1967-68—Ministry

1968-69—Evangelism and World Missions.

Highlights from our youth organizations include: The Sunbeam Day Camp with 37 World Friends attending; the GA Rally with 337 in attendance; The YWA's held 3 associational council meetings with an average attendance of 61.

This has been a profitable year from which we shall reap harvest in years to come. May the Holy Spirit guide us as we continue to "Labor To - Get - Her to God."

Respectfully submitted,
Mrs. Horace Whitley, President

YOUTH CAMP

The Columbus Baptist Associational Youth Camp was held again this year at Pineand College, Salemburg, N. C. August 17-21, 1964. The enrollment was 194 campers and 21 counselors, making a total of 215 attending. The camp was somewhat smaller than last year but we feel the success was greater. There were 25 professions of faith made, 9 commitments for full time Christian service and many re-dedications.

We had a dedicated group of leaders that put forth every effort to make our camp a real Christian experience for each camper. They worked diligently to carry out a program of Bible study, worship, music, missionary education, special features and recreation that would be meaningful to the campers. Because of this decisions were made by the boys and girls that have depth and will have lasting meaning.

The camp committee and counselors are asking again this year that the churches follow up this week of Christian experiences with proper attention and training for these young people.

Following is a financial statement of the Youth Camp:

Total Receipts	\$2,410.50
Expenditures:	
Pineand College	\$2,150.00
Refund to Campers	18.00
Insurance	74.90
Transportation	103.60
Missionary Gifts	20.00

	\$2,410.50

Balance of account transferred to associational treasury.

WITH YOUR ASSOCIATIONAL MISSIONARY

The closing of one year and the beginning of a new one, should not be "And ending and a beginning" but rather a CONTINUATION and most certainly an IMPROVING.

Beloved, we count not ourselves to be apprehended: but this one thing we do, forgetting those things which are behind, and reaching forth unto those things which are before, we press toward the mark for the prize of the high calling of God in Christ Jesus.

Your associational missionary has been greatly pleased through serving with programming and planning committees, advising building committees and pulpit committees, and providing

pulpit supply and interim pastor for several churches. I stand ready to serve every church in every way possible.

I have been present in each of the 44 churches of our association for regular worship services and on invitation have shared with and served most of them on special occasions.

Constitution and By-Laws

PREAMBLE

We, the messengers of Baptist Churches of Columbus County, do hereby propose to establish and maintain the order and rules of a District Association in conformity to the following plan:

ARTICLE I. NAME

This organization shall be known as the Columbus Baptist Association.

ARTICLE II. OBJECTIVES

The objectives of the Association shall be to elicit, combine, and direct the energies of Columbus Baptists in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the North Carolina Baptist State Convention, and the Association itself, to promote fellowship and good-will among the Churches; and to devise and promote measures for increasing the harmony, intelligence and spiritual powers of the churches.

ARTICLE III. MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Baptist Churches in Columbus County that shall be represented at its regular or special meetings by duly elected messengers in the following ratio: (1) Three (3) for the first one hundred members or fraction thereof, and one for each fifty additional members, but provided that no church may have more than 10 messengers. (2) All ordained ministers who are serving as pastor within the Association, Associational Officers and Committee members.

Section 2. Messengers shall be members in good standing with the church they represent, and their names must appear on the letter from their church to the Association to entitle them to be seated as messengers.

Section 3. The Association shall be sole-judge of its membership, and may reject or receive churches applying for membership therein at its pleasure, provided that the churches so received shall come under the watch care of the Association for a period of one year. During this period such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting or holding office. At the conclusion of this period, should no valid objection be raised, they then become members in regular standing by action of the Association.

Section 4. The Association shall encourage the organizing of new Baptist Churches within Columbus County under the leadership of any pastor, Church, Churches, or interested persons of the Association. If a new church contemplates being received into the fellowship of the Association after its organization, those who are to compose its charter membership and those leading in its organization are urged to seek the counsel of the Executive Promotion Committee and shall proceed with the organization only after approval is given.

Section 5. A Church seeking admission into the Association shall present its application to the Committee on Fellowship, and furnish the Committee with such information as it may require about the Church. The Committee may then recommend that such Church be received under the watch-care of the Association for the period of one year from the date of that Associational Meeting.

Section 6. The Association may at any time dissolve connection with any church that becomes disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Section 7. The New Testament shall be accepted as the sole guide in matters of doctrine and practice, and the Association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE IX. POWERS AND PREROGATIVES

The Association shall have no power whatsoever to infringe upon the right of the churches. It may advise or recommend measures to usefulness for their adoption and guidance, but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectively promote the causes of Christ throughout the world.

ARTICLE V. DUTIES OF CHURCHES

It shall be the duty of each church to appoint messengers, to insist upon their attendance at Associational meetings, to contribute toward the expense of the Association, and to send annually a report to the Association which gives information requested in forms provided by the Associational Clerk.

ARTICLE VI. ORGANIZATION

Section 1. The general officers shall be a Moderator, Vice-Moderator, Clerk, Treasurer, Historian and Three Trustees.

Section 2. Additional Officers shall be the Associational Superintendent of Sunday School, Training Union Director, W.M.U. President, Brotherhood President, Music Director, Youth Camp Director, and others as needed, including a full slate of organizational officers as recommended by the Educational Division of the Baptist Sunday School Board.

Section 4. The offices of Clerk and Treasurer may be held by the same person.

The general officers and additional officers as specified in Section 2 of this article shall be elected at each annual session and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session, unless removed for cause, or until their successors are appointed.

Section 6. The term of office for Moderator and Vice-Moderator shall not exceed two years in succession. All other officers may be re-elected to succeed themselves in office at the pleasure of the Association.

ONE HUNDRED FIFTY-NINTH ANNUAL SESSION

COLUMBUS BAPTIST ASSOCIATION

October 21 and 22, 1965

First Day's Session With
 Chadbourn Baptist Church

Second Day's Session With
 White Marsh Baptist Church

GENERAL THEME: "PROCLAIMING THE GOSPEL"

FIRST DAY - MORNING SESSION

1. The 159th Annual Session of the Columbus Baptist Association was called to order at 9:15 a. m. by Maurice Gilliam, Moderator.
2. Hymn - "All Hail the Power, Mr. Franklin Hooks, Director of Music for the Association, leading.
3. Scripture and Prayer were led by Rev. Leo Hawkins, Pastor of host church, using responsive readings found in Isaiah 60:3; Romans 10:12-15, Ephesians 3:8-11 and II Chronicles 5:18-19. Words of welcome were offered by host pastor.
4. Proclaiming the Gospel through Associational Missions:
 - A. Report and Calendar of Activities for 1966 brought to the Association for adoption by Arche Cree, Associational Missionary. Message of the Associational Missionary emphasizing that today, Christians are faced with the greatest opportunity and responsibility God has ever given to any people and that in this day many Christians are becoming so involved in their own personal affairs, Civic affairs and local church programs that we fail to keep the presence and leadership of the Holy Spirit active in our minds and hearts in our daily living and services to God. A report of our Sunday School work was included in the above remarks.

B. Report on Training Union brought by Mr. Edgar Hinson, Director, pointed out our progress and needs especially the need of an active and progressive program for Young People in our churches.

C. W. M. U. report by Mrs. Horace Whitley indicated that several churches in our association are still in "Mission Darkness" without organized W. M. U. Youth delinquency was again emphasized.

D. In the absence of Mr. C. H. Pinner, Associational Brotherhood President, the report was referred to on page 5 of Book of Reports, by Mr. Ben Nesmith III.

E. Mr. Franklin Hooks, Director of Music for our Association spoke of two major emphases for the coming year: 1. The value of good music in our worship services. 2. Encouraging churches to promote a "Carol Sing" within the local church on Wednesday night, December 22, 1965. He also pointed out the purpose, value, date and location of Regional and State Choir Festivals to be held in the near future.

F. Report on Evangelism by Rev. James H. Johnson, Chairman, was brief straight to the point and very effective as usual. He stressed that every Christian has a story to tell about Jesus. It doesn't take education, it only takes love for our Lord.

G. Youth Camp report by Rev. W. H. Lewis, Acting Director, indicated a most successful camp program, August 16-20, 1965, experienced by both campers (ages 9-14) and faculty, numbering 232. Mr. Lewis made two suggestions for future considerations:

1. That next year a camp for our youth, ages 15-17, be held in addition to the regular camp.

2. That our association consider building a camp which can be used for many purposes.

H. All of the above reports were adopted.

5. Hymn - "O Zion Haste", led by Mr. Franklin Hooks.

6. Worship through music rendered by Mr. Franklin Hooks and Mrs. James H. Johnson as they brought deep and abiding spiritual blessings to us as we listened to such wonderful messages in song: "I Sing of Thee", "I've Discovered the Way of Gladness", "Take Up Thy Cross", "Grace Abounded More", "Saved by Grace" and a solo by Mrs. Johnson, "I'll Tell the World."

7. "Proclaiming the Gospel through World Missions" by lecture and slides. Mr. and Mrs. W. A. Mitchiner, lay people for Christ, took us to many places in the world where Southern Baptists have mission work. The Mitchiners use their vacation time and travel at their own expense to many places at home and abroad, visiting Southern Baptist Mission fields talking with missionaries, and taking pictures to bring back and share with churches and associations. They appear by appointment only and their services are in great demand.

8. Hymn - "Jesus Shall Reign", led by Mr. Franklin Hooks.

9. "Proclaiming the Gospel in your Church and My Church" was the subject used for the annual sermon by Dr. Francis Chesson, Pastor, First Baptist Church, Whiteville. Mark 4:1-20 was used as a basis for this message. Every Baptist must be a witness for our Lord. Sometimes we are surprised that Jesus answers our prayers. Referring to the "Sower of Seed" we are urged not to give up on the hard-hearted. When a person has an emotional experience let's remember God expects them to worship Him with mind, body and spirit just the same. They must go all the way.

Our young people are not anchored in faith - they are exposed to every doctrine and certainly need spiritual help.

So many of us are so busy we don't have time for our Lord. It isn't a question of just how good each activity is that we engage in but which is best, into which can we put Jesus first? We have the good news - good seed - no better seed can be found anywhere. Let us sow the seed and proclaim the Good News of Salvation.

Hospitals perform open heart surgery today. God has been opening hearts through out the ages, and shall open hearts today when we will let Him. We'll never know the full joy of our salvation until we win souls.

10. Rev. Leo Hawkins, host pastor, made announcements concerning lunch served by the host church.

FIRST DAY - AFTERNOON SESSION

11. Hymn - "Come Thou Fount of Every Blessing," led by Rev. Joe Dempsey, pastor of Lennon's Cross Roads Church.

11a. Scripture and Prayer led by Rev. Gaston Hester, Pastor of Union Valley Church. John 12:32, Acts 1: 1-8 and II Timothy 4:1-2.

12. Dr. Roger Crook, Professor of Religion at Meredith College, Raleigh, using the topic "Proclaiming the Gospel Through Different Versions of the Bible", brought enlightenment on the original writing and language interpretations of the Bible.

So often we are prone to accept what seems to us to be the meaning of certain passages, without taking the time or effort to examine the real meaning. We may even claim the Holy Spirit is leading us, when in reality we are only soothing our own conscience in our failure to put forth needed effort for proper guidance.

13. The following new pastors were recognized as having come into the association since the last annual meeting: Rev. John Hemmingway, Evergreen; Rev. Robert Duncan, Forst Lawn and Rev. Grady Cline, Western Prong.

14. The following convention representatives were recognized and given five minutes each to speak for their department or institution: Roger Branch - Biblical Recorder; Harold M. White, Stewardship Department; A. P. Stephens, Baptist Foundation and Dr. Roger Crook, Denominational Colleges.

15. Rev. Leo Hawkins explained the purpose and program of "Family Life Conference".

16. Report of the Constitution Committee brought by Mr. Ben Nesmith III, recommended that wherever the title Associational Missionary appears in the Constitution, it be changed to read Superintendent of Missions. According to provisions in the Constitution any changes to the Constitution must be presented the first day of the annual meeting and voted on the second day.

17. Report of the treasurer brought by Mr. J. B. Jones, member of the finance committee indicated the financial condition of our association to be very good. The budget for the new associational year having been previously approved by the Executive Promotion Committee, was officially adopted with the recommendation of only one change. Mr. Jones commented on the desperate need for more secretarial help in the associational office. Several voiced their agreement and apparently with unanimous approval the Associational Budget was changed to read "Secretarial Help - \$750.00," rather than \$250.00 which had previously been allotted.

18. Report of Ordinations Committee brought by Dr. Francis Chesson, encourages every church to challenge our young people to see God's will toward the ministry or other full time Christian service.

19. Rev. Fred Senter, reporting on Seminary Extension possibilities indicated that insufficient interest is being shown at present to justify establishing such a center in our association, however, it is hoped that greater interest can be created after January 1st.

20. The Executive Promotion Committee recommended that the association approve a request from Waccamaw Baptist Church that the Baptist State Convention give all the financial help they can toward pastoral aid for this church as quickly as this church can qualify for such aid. The main qualification lacking at present is that of a pastor. This approval was granted.

21. There being no further business the meeting was adjourned with prayer, led by Rev. C. E. Brisson, Interim pastor for Smyrna Baptist Church.

WHITE MARSH BAPTIST CHURCH

SECOND DAY - MORNING SESSION

22. The congregation joined in singing "My Saviour's Love", led by Rev. Grady McKeithan, pastor of Porter Swamp and Hinson's Cross Roads Churches.

22a. Scripture and Prayer by Rev. Sam N. Lamb (Interim Pastor) of host church, using verses from Mark (Great Commission), Romans (What the Gospel Is), and portions from Ephesians and Revelations.

23. The following reports were adopted: Cooperative Program - Mr. J. L. Cutrell; Children's Homes - Mr. D. L. Todd; Homes for Aging - Mrs. R. C. Sherrill; Minister's Retirement - Rev. Grady McKeithan; Denominational Literature - Rev. Joe Dempsey and Baptist Colleges - Mr. Paul Hatley.

24. Hymn - "Blessed Assurance" by the congregation followed by a solo "How Great Thou Art" sung by Rev. Grady McKeithan.

25. Proclaiming the Gospel as Laymen:

1. As a Government Engineer - by Mr. Roy Arntsen. He was introduced by Rev. Leo Hawkins, pastor of Chadbourn Baptist Church. Mr. Arntsen born of foreign parents, indicated he had been very slow to accept a new religion in this country. By looking at the daily living of Christians, religion seem to be something of a schedule rather than spiritual and brought confusion to his mind. Compassion is something not easily achieved, it is obtained only through experience.

2. From a Mechanic's Viewpoint, was discussed by Mr. Worth Spivey a member of New Life Baptist Church in Tabor City. Mr. Spivey a comparatively new Christian, was introduced by Rev. James H. Johnson, pastor Tabor City Baptist Church. Mr. Spivey, giving his personal testimony indicated he was not reared a Christian. Laymen from Tabor City Baptist Church, witnessing personally to him, won him to Christ. He indicated that someone is watching everyone daily. You can't always get people to church but you can get the church to the people.

26. "Proclaiming the Gospel Through Healing," by Chaplain Wesley Brett, representing the North Carolina Baptist Hospital. The gospel can be shared more easily with more who are sick because they take time to think, yet how often we as ministers and counselors take advantage of such times to satisfy our own ego rather than keeping ourselves aware of the patients needs. We can proclaim the Gospel Through Healing by walking along with the sick and sharing spiritually these experiences.

27. The congregation joined the singing, "Trust and Obey".

28. Special music by Campbell College Choir, led by Dr. Paul M. Yoder, Chairman of the Department of Music, did a superb job of bringing gospel messages in song. We are very proud indeed of these young people from one of our Baptist Colleges.

29. "Proclaiming the Gospel in our Society" by Dr. R. Eugene Owens, reminded us that the churches of today must be willing to be crucified if they are to be successful. Witness of the Cross should be the proclamation in our society.

Our seminaries must change and develop the minds of students if its mission is to be accomplished.

"Come in and Relax and be inspired" seems to be the attitude of our churches. Our churches are doing too much of this today. The local church is fighting for its last breath in the society of today. We are not preaching repentance. We are trying to turn the gospel into something easy and nice.

Referring to Psalm 139 the following questions were asked: Where do you exercise most of your religion? What kind of God do you worship? Where do you hide from God?

The church of Jesus Christ is called to stretch herself out in forgiveness to be crucified. Is the church willing to lose its life for Christ? We can get so religious that we lose our faith.

Jesus portrays the spirit of Forgiveness, denial, call to Love Man, It is Finished (Last word on the cross). The church of today dare not do one bit less than give its very best.

30. Announcements by Rev. Sam N. Lamb, Interim Pastor of Host Church. Prayer of thanksgiving for the noonday meal.

SECOND DAY - AFTERNOON SESSION

31. Hymn - "Standing On the Promises."

Scripture and Prayer led by Rev. John Hemmingway, Pastor of Evergreen Baptist Church, using a part of II Timothy, chapter 4.

32. Any Convention Representatives present were given opportunity to be recognized. None appeared to be present.

33. Constitutional changes were again brought to the Association as provided for in the Constitution.

34. Report on Committee on Committees; Time, Place, and Preacher; and Nominating Committee were adopted.

34a. History of Brunswick Baptist Church was referred to.

35. A brief memorial service recognizing the dedication of the deceased was led by Rev. C. E. Brission, Interim Pastor, Smyrna Baptist Church.

36. Moderator Maurice Gilliam expressed personal and associational thanks for the fine cooperation of co-workers and churches of our association and commended all on the progress being made.

37. Rev. Grady Cline, Pastor of Western Prong Baptist Church, led in the prayer for adjournment.

CONSTITUTION CHANGES

The Constitution Committee, Ben Nesmith III, Charles Bullock and D. Jack Hooks, met to give consideration to any amendment deemed necessary in our present Constitution.

After conferring with Brother Arch Cree, it was determined that the only changed needed was to amend our Constitution so that wherever the words "Associational Missionary" occur that same should be changed to read "Superintendent of Missions." That this is in keeping with the recommendation of the Executive Committee of the Baptist State Convention.

Therefore, it is the recommendation of the Constitutional Committee that the Constitution of the Columbus Baptist Association be amended to the extent that wherever the words "Associational Missionary" occur that same be deleted and to be inserted in lieu thereof the words, "Superintendent of Missions."

Respectfully submitted, Ben Nesmith III, Charles Bullock,
and D. Jack Hooks, Chairman

EXECUTIVE PROMOTION COMMITTEE

Three meetings were held by the Executive Promotion Committee during the Associational year. These meetings were held in March, July, and September respectively.

The Executive Promotion Committee, composed of those as provided for in Article XI, Section 1, of the Constitution, "acts for the Association in the interim between the annual session."

Being mindful of the aims and goals of our association, the committee has provided guidance and counsel in many matters; such as, providing leadership for officers vacated, approving application for financial aid, adjusting the calendar of the association to include a Christian Life Conference to be held in November, 1965, approving the proposed calendar of activities for the association and the associational program for the annual meeting, 1965. This is not all that was done - just a sample. Many other items and needs were considered and acted upon.

To all of the members of the Executive Promotion Committee I express my thanks for the interest shown and the cooperation given this year.

Respectfully submitted, Maurice H. Gilliam, Moderator

COOPERATIVE PROGRAM

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and missionary advance is seen among Baptists!

It is now a well - accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor -- that of preaching, teaching and healing in the name of Christ at home and abroad.

Evan as we support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere! "The Cooperative Program has given significant support to every State and Convention-wide cause -- during the last sixteen years it has provided more than \$100,000,000 for the Foreign Mission Program of Southern Baptists. Truly, it IS the 'life-line' of our total cooperative witness and service."

We are witnessing our greatest advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for the lost world -- more than 1,300 Baptist Churches have set goals as a part of the Convention-wide emphasis to enlist 2,000,000 tithers by October, 1966. A free "Planning Kit" for other enlistment is available from our State office for every church or pastor adopting a definite goal.

According to our records Columbus Association during the past year gave a total of \$42,292.26 through the Cooperative Program. Fourteen churches did not share in world missions through the Cooperative Program. Let us determine NOW to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

RECOMMENDATIONS:

1. That the Churches participate in "TITHE...NOW!" Emphasis.
2. That we engage regularly in prayer for cooperative causes and give special emphasis to prayer for these causes during the October Cooperative Program Emphasis.
3. That every church plan a Stewardship program in Sunday School Assembly following the fourth prayer service of the October Cooperative Emphasis. (Or any month suitable to the local church).
4. That the churches give regularly through the Cooperative Program.

Respectfully submitted, J. L. Cutrell

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

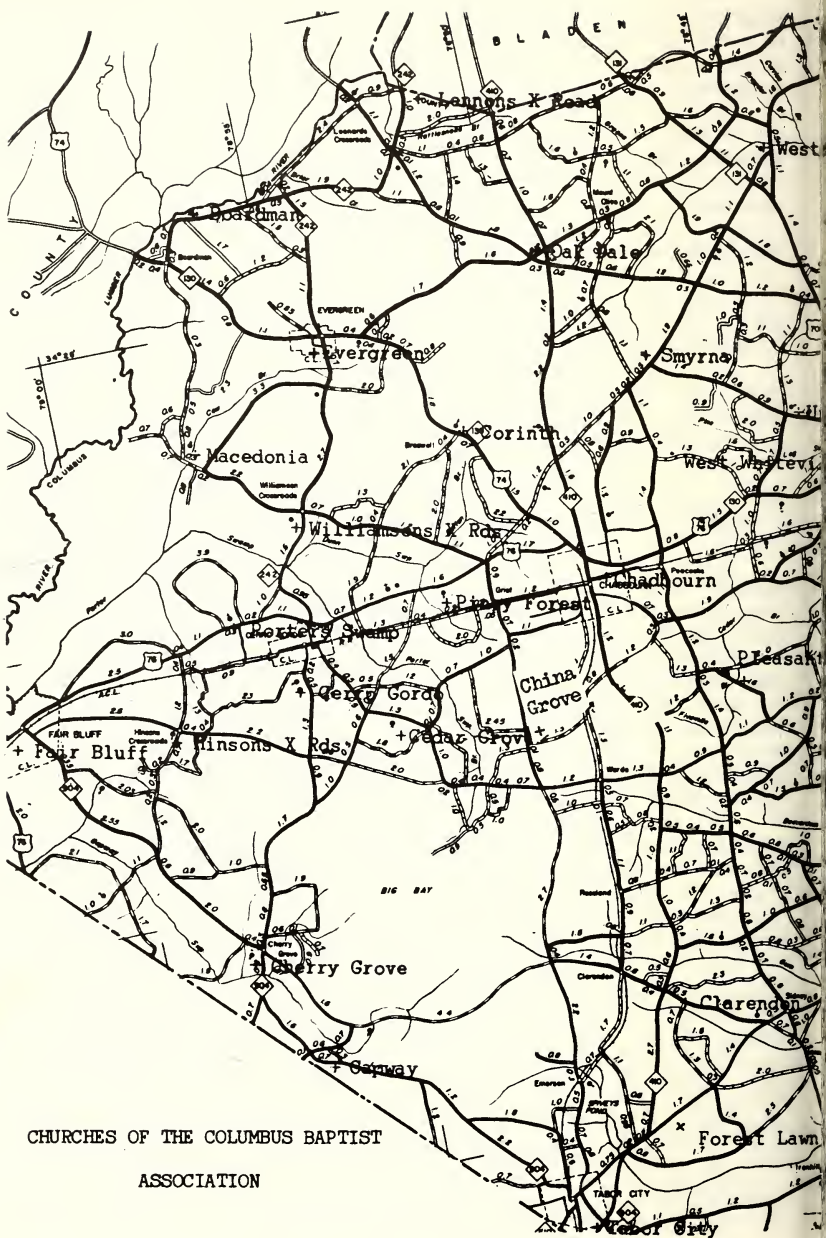

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars (\$310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home Campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

The work at Greer Home was started almost two years ago. For the first eighteen months we were working with boys who are emotionally disturbed and have need of special supervision and medical services. Among other things, they receive psychotherapy as out patients through the Department of Psychiatry at the University Medical School and Memorial Hospital.

The first of July a second small unit was opened to provide similar care for girls. This is a highly specialized type of service, one that is very scarce in our section of the country and long overdue.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care -- a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Sincerely, D. L. Todd

DENOMINATIONAL LITERATURE

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The Biblical Recorder, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptist of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptist fill these needs all Baptist literature should seek to inform the people properly.

The Recorder staff gathers, sifts and publishes significant news from as many sources as possible. News from the Southern Baptist Convention and the entire Christian world is presented.

It is becoming necessary for responsible publications to help readers understand the meaning of events. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that is hard to sort out the important things, set them in proper context and understand them. Close contact with denominational leaders, pastors and others, will help each one of us understand the meaning of events that happen.

Like the individual Christian, Baptist literature has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for our state paper, THE BIBLICAL RECORDER, both within and out of our denomination. It is time someone from each one of our churches takes the lead in seeing that every family in your church, receives the Recorder and other Baptist literature.

Respectfully submitted, Joe Dempsey, Representative

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptist launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Today 160 people are in residence at Resthaven, and the Hayes Home in Winston Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When proposed new Home at Yanceyville is completed, there will be a capacity of 200.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues - the Special Day offering, received on the third Sunday in February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high, and through these gifts we were able to supplement from 80% to 90% of our needy residents whom could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that he has commissioned us to include also a special ministry to the aged among us, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted, Mrs. R. C. Sherrill

NORTH CAROLINA BAPTIST COLLEGES

COLLEGE ENROLLMENT: Campbell College, 2,018; Chowan College, 1,155; Gardner-Webb, 944; Mars Hill College, 1,368; Meredith College, 930; Wake Forest College, 2,920 and Wingate College, 1,320.

COLLEGES PRODUCE LAY-LEADERSHIP: During the past year the contribution of Baptist Colleges to Christian lay-leadership in church and community has been strongly emphasized. Our seven Baptist colleges, to date, have graduated more than 45,000 men and women.

Many of these graduates are not only filling responsible places of leadership in their churches, but are exerting a profound influence on religious, moral, and ethical life of communities in which they live. All during the past year testimonies have continued to come in from teachers, doctors, lawyers, artists, industrialists, musicians, homemakers, and many other categories too numerous to name. All these testimonies assert two things: Attending a Christian college gives a closer tie to the local church, and a greater responsibility for Christian citizenship in the local community.

DENOMINATIONAL LEADERSHIP: The Christian Education Day theme for 1965 will be centered around the contribution of Baptist Colleges to denominational leadership. We have taken for granted that Baptist Colleges are producing Christian vocational workers, and indeed they are. At the present time more than 500 students in the North Carolina Baptist colleges are volunteers for full-time Christian service and more than 100 of these volunteers want to be home or foreign missionaries.

THE CHRISTIAN EDUCATION DAY OFFERING: With the action of the Convention in 1964, the Christian Education Day offering became an approved offering on par with all other special offerings in our Convention. Because the Christian Education Day offering is young in comparison to some of our older offerings, we are discovering that many of our churches are not observing Christian Education Day or taking a special offering. We need to acquaint ourselves with the problems encountered by our Baptist Colleges in their endeavor to function to the highest degree of efficiency while without the aid of public funds available to those with which they must compete.

THE TRUSTEE MANUAL: Following up an assignment of two years ago, the manuscript for the Trustee Manual has been completed and is now being prepared for publication. This Manual will deal with the varied responsibilities of the Trustee.

THE COUNCIL OF SELF - STUDY: The Council of Christian Education during the past three years has been engaged in a serious study in several important areas. A printed summary report will be ready for distribution before the Convention meets in November.

Included in this study will be a statement on the commitment, purpose, objectives in Christian higher education, the distinctive role of the Christian college, the distinctive role of the Christian teacher, function of the chapel on the Christian campus and many other areas too lengthy to include in this brief report.

COLLEGES ASSIST CHURCHES IN SPECIAL WAY: Each Sunday from campuses all over the State, faculty members, administrative officers and students move out into the churches and assist the churches as supply pastors, Sunday School teachers, youth leaders and special speakers in the areas involving missions, stewardship and evangelism. If your church is

without a pastor or if your pastor is ill or has to be away, then contact your nearest Baptist College.

THE COOPERATIVE PROGRAM: Again let it be emphasized that the Cooperative Program is the lifeline of Baptist colleges as it is equivalent each year to several million dollars of endowment. Soon our Convention leaders will announce another great five-year program of advance and achievement.

Respectfully submitted, J. Paul Hatley

BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people come from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work.

All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

COMMITTEE ON ORDINATIONS

The Associational Ordination Committee functioned three times between the annual sessions: (1) at the request of Brunswick Church to ordain Robert Lee Duncan; (2) at the request of Smyrna Church to ordain Joe Sellers; and (3) at the request of Calvary Church to ordain George (Sam) Smith.

Each of these three men were duly examined and found to be worthy candidates to be ordained for the Gospel Ministry.

Respectfully submitted, Francis S. Chesson, Chairman

HISTORY OF BRUNSWICK BAPTIST CHURCH

The Brunswick Baptist Church was organized in the town of Brunswick, North Carolina on October 16, 1952. Reverend P. C. Gantt acted as moderator of the organizing conference. There were twenty nine charter members at the time and twelve persons united by letter at the organizing conference bringing the total to forty-one members. The organization came about as the results of a small Sunday School and prayer meeting which began in the home of Mr. and Mrs. W. H. White in Brunswick, North Carolina. At the time of organization the members owned the present church property, and a small pre-fabricated building in which services were being held.

On December 31, 1952 the church called as it's first pastor, Reverend J. Wade Fowler, who served the church faithfully until August 22, 1954. He was followed in order by the following ministers: Reverend A. D. Harrelson from January 9, 1955 through July 18, 1959. Reverend Johnnie Hooks from July 19, 1959 through September 24, 1960. Reverend E. W. Hendrix from September 25, 1960 through August 30, 1961. Reverend H. C. Powell from September 3, 1961 through present. (Current Pastor).

In 1956 plans were begun for a permanent building to worship in, and on the first Sunday morning in 1958, the completed building with all debts paid, was dedicated. Since that time, new bath rooms, a furnished nursery, and in 1960 new church furniture were added to the church. In September 1965 the thirteenth anniversary year of the church, new stained glass windows were installed in the building.

Since organization the church has received into it's membership over one hundred members by baptism, and church membership has increased from twenty-nine members to a high in 1959 of one hundred fifty-five. The present membership is one hundred forty five members. The Sunday School has grown from thirty members to a high in 1958 of 171 members. The present membership is 167 members. The average attendance for Sunday School since the organization is eighty-two. The church has licensed and ordained three ministers who are serving as pastors at the present time. In addition to the above, the church has supported practically every phase of our Southern Baptist mission program since it's organization as a church.

The present church services being conducted at the church include Sunday School, Training Union, and mid-week prayer meeting. The church currently has half time pastoral work.

As the church prepares for it's thirteenth anniversary celebration, it does so looking forward to many more years of fruitful work in the Kingdom of our Lord.

MINISTERS RETIREMENT

THE LIFE BENEFIT PLAN: The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenomenal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of \$3.34 to \$10.00 per month. It is still open for membership.

THE HEALTH BENEFIT PLAN: The Health Benefit Plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications were required by September 1 in order to put this program into effect. More than six thousand applications are already in now. Churches should include all people on their staff in this program.

BENEFITS PAID - "Manna from Heaven" - It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven". These checks vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists. In 1964 alone, 3 1/2 million was paid out to ministers and denominational workers or their families.

MEMBERS IN ANNUITY BOARD PLANS: Today more than 16,352 churches are in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board Programs. This means more than 25,000 members are in the Annuity Board's retirement plans.

There are seven states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers.

Here in Columbus Association we have 27 of our 44 churches participating in the program.

Respectfully submitted, Grady P. McKeithan

EVANGELISM

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." It may well be that the destiny of our country hinges on what we as Southern Baptists do in the matter of Evangelism.

Let me suggest several matters which could strengthen the cause of evangelism.

First, let the pastors of churches spend more time teaching, preaching and practicing the concept of the priest-hood of the individual believer. The word priest is derived from a Latin word, "Pontifex", which means bridge-builder. All Christians as priests are to bridge the gap that separates men from God.

Secondly, the leadership of the church must do a better job conserving the new converts. Paul spent a year in Antioch, three years in Ephesus, and eighteen months in Corinth teaching and exhorting the Christians to the end of Christian maturity. A "babe in Christ" can neither defend himself from the evils of the world or be too effective in introducing men to Jesus.

Thirdly, let us pray more often until we know the reality of the Holy Spirit giving direction to all that we do.

Finally, I call your attention to the plan and program of the Southern Baptist Convention which has as its theme for 1966 "Proclamation and Witnessing." The program of every organization will be related to this theme. Below is a sampling of the correlated program.

November - December, 1965 - Special Training units for Young People and Adults on Proclamation and Witnessing.

January - March, 1966 - Alternate Sunday School lessons on Witnessing.

January 3-7, 1966 - January Bible Study Week.

January 9, 1966 - Soul-Winning Commitment Day.

February - March, 1966 - Training Union undated resource units on witnessing.

January - March, 1966 - W. M. U. and Brotherhood plan providing motivations for witnessing.

February 22, 1966 - Associational Evangelism Clinic.

Respectfully submitted, James H. Johnson

TRAINING UNION

The members of Columbus Association have just completed a year in which we either accepted or rejected opportunities to train for service in God's Kingdom.

"M" Night in Whiteville was a highlight with Whiteville First presenting a skit entitled "Look at Your Hands." Rev. David Roberts, Associational Missionary in the French Broad Association, gave an inspirational testimony. 276 people of the 500 goal enjoyed this soul searching meeting. 25 churches with 12 pastors were represented.

April 6, at Lennon's Cross Roads, the tournaments were held. Participating were 4 Juniors from Trinity, 1 Intermediate from New Hope, 1 Better Speaker from Whiteville First and 1 Adult Scripture Reader from Union Chapel. They were declared winners to represent us at Regional Tournaments at Harper's Ferry.

In late April and early May our "Youth" attended the "Youth Convention" in Charlotte and "Youth Night" in Chadbourn under the able direction of Rev. Fred Senter.

In the way of "training opportunities" we had "State Training Union Workers" on January 26th to lead conferences for "Church Training Union Leaders". New ideas for programs were emphasized. Also, some associational officers assisted other churches by teaching two study courses for churches who requested teachers.

Future dates of importance are: "M" Night - November 22 at Western Prong. "School on Training Union" - January 24-27.

It is my prayer that each church will evaluate it's Training Union, then, let God lead the future under the new Director Gene Ezzell.

Respectfully submitted, Edgar Hinson, Director

BROTHERHOOD

Brother Edwin Bullock, the initial President of the Brotherhood Organization of the Columbus Baptist Association, got the work off to a fine start. He held Leadership Workshops for all the Local Brotherhood officers in the county. He also made definite plans for some other meetings to be held later. Unfortunately for us, he received a promotion and joined the Baptist State Convention in the promotion of the R. A. work throughout the State. Thus the responsibility of the rest of the year's work descended upon the shoulders of a very weak Vice-President. Consequently the work for the rest of the year was not as effective as it would have been, had our President been able to serve out his term and carried out his plans.

Brother Ed did everything he could to help in the transition to a new and inexperienced man. In February we had two promotional meetings which had been previously planned for Saturday night, February 27th at Riegelwood with Rev. Donald Jackson of Fayetteville First Church bringing the inspirational message and again on the following Sunday afternoon at the Tabor City Baptist Church. Both meetings were fairly well attended.

Perhaps the highlight of the year was the Brotherhood State Convention and Royal Ambassador Congress at Hickory in early April. Our Association was fairly well represented. It was a real joy and an inspiration to see 3,600 men and R. A. 's in that large auditorium of the First Church in Hickory and hear the fine messages brought to the convention.

On June 26th at Evergreen Baptist Church there was a rally for the R. A. 's. The boys were in charge of the program under the fine leadership of Tommy Barnes. This Rally was very helpful to the R. A. 's and their leaders. It is also reported that the Youth Camp at Salemburg was outstanding this year.

We are looking forward to having a fine year this coming year. Your president is a bit more familiar with the work and hopes to help to accomplish more in the work this year. The thing that distresses me about the work is that we have only 16 Brotherhood Organizations in our Association out of 44 churches. The Brotherhood can and should be the most vital force in our church life. Through a praying Brotherhood Organization in any church, you will uphold and strengthen your pastor and his work; and will increase your interest in and power to witness to the lost of your community; you will deepen your own spiritual life and that of your church; you will come to enjoy the Christian fellowship of your church members as never before. A dedicated Brotherhood in every church will mean a greater Christian influence throughout the Columbus Association and the county. This is my prayer for this year.

Respectfully submitted, C. H. Pinner, President

MUSIC

Through the ages, Christianity has progressed on the wings of song. The singing of hymns is a vital Christian privilege given every redeemed soul.

For major emphasis during the coming year, the associational music ministry is proposing and encouraging concentration in two very worthwhile areas in the local church.

The value of music to our worship services is unquestioned. For the most part, our churches do have choirs who participate in regular worship services. Each church is encouraged to recognize the blessings available in "worship through music" portions in morning and evening worship services in our churches. Some dedicated and responsible person should be duly elected to lead out in this area of the church's ministry and program.

In connection with congregational activities, each church is encouraged to observe a "Carol Sing" in their church on Wednesday night, December 22, of this year. At this time, special emphasis will be given to singing well-known and other Christmas carols and learning something of their background stories.

Participation in the Regional and State Choir festivals does much for the church and its music ministry. These festivals provide a special challenge for each choral group. Each church is encouraged to enter at least one choral group in the festivals during the coming year. This participation is in the reach of almost all of our churches. Complete information concerning the festivals may be received from our State Music Secretary in Raleigh.

The Regional Music Festival will be held at the First Baptist Church, Whiteville, on Monday night, February 28, 1966. We look forward to a good number of our churches being there. Your associational music workers will be happy to give any help possible concerning the festivals or any other area of the music program. Respectfully submitted, Franklin Hooks, Director

SUNDAY SCHOOL

The Sunday School is the teaching arm of the church and should be the very center of every church's program. The leaders and teachers have a great responsibility and privilege to visit and witness for Christ.

Better Sunday Schools are greatly needed so that more people can be reached and drawn into the entire church program. Visitation on the part of our Sunday School leaders, teachers and members should be emphasized in every church. The responsibility to lead and show the way is upon those who have accepted the various positions of responsibility in our Sunday School. May each of us see and accept this as our duty.

The program of your association and denomination is designed to help your church have a better Sunday School. You are urged to use your association and the facilities of our state convention for the betterment of your Sunday School.

The denominational emphasis for 1964-1965 was "The Adult Thrust". This is an emphasis upon the adults in our Sunday Schools and churches. Too many of our adults do not attend Sunday School or worship services. When an adult is absent, most likely the children in that family are absent also.

Our Sunday School Revival in February 1965 has been and should continue to be a great awakening of responsibility to our churches.

WOMAN'S MISSIONARY UNION

Christ's commission to every church is "Go ye into all the world and preach the gospel to every creature" (Mark 16:15). Southern Baptist churches have five educational organizations to help fulfill this Commission, the Sunday School, Training Union, Music Ministry, Brotherhood and Woman's Missionary Union. Each organization has a definite responsibility in helping the church fulfill Christ's purpose. W. M. U. has been given the tasks of teaching missions to women, young girls and children and of leading them to participate in missions as they learn to relate their lives and resources to missions.

Believing that an understanding of the task leads to dedication in fulfilling the task, your associational W. M. U. has sought to provide training opportunities for every church in this association. Over 100 women attended the Leadership Conference to learn new emphasis and new methods promoted in 1964-1965. The associational officers taught two 7 1/2 hour Leadership Study Courses - one day and one night course. This resulted in 98 W. M. U. leadership cards earned throughout the association.

Our annual meeting afforded Christian fellowship and inspiration for some 350 persons. This was too a time of training as we sought to suggest ways of enlisting others in the teaching of missions. Two Mission Study Institutes were held during the year to train teachers to more effectively present the Home and Foreign Mission Study Series.

At the G. A. Rally 363 girls and counselors were challenged to a fuller understanding of how all of life and our resources can relate to missions by our own Rev. and Mrs. R. L. Stocks, mission volunteers.

64 eight year old Sunbeams were given added teaching in missions at our associational Day Camp.

Y. W. A. 's in the association were offered growth experiences throughout the year as the Y. W. A. Council met quarterly. Six girls attended the state Y. W. A. Houseparty at Wake Forest College.

In helping your church fulfill the mission for which Christ established it, Woman's Missionary Union works closely with all other church organizations and with the pastor and church staff. Within the fellowship of your church, we trust, that W. M. U. will discover new meaning in her watchword, "Laborers together with God." (I Corinthians 3:9)

ASSOCIATIONAL YOUTH CAMP

The Columbus Associational Youth Camp was held again this year at Southwood College, Salemburg, North Carolina. The camp was scheduled during the week August 16-20.

Attending were 208 campers, 24 camp staff and counselors, making a total of 232. The boys and girls attending were 9 through 14 in age. There were 35 campers and one counselor from Bladen Association.

This was a very good camp. The spirit of the leaders and that of the children was excellent. There were many professions of faith in Christ, a large number of rededications and some of the campers committed their lives to full time Christian work.

Each camper paid a fee of \$12.00 plus 50¢ if they rode the bus. This covered the camp expenses with the exception of the \$67.23 drawn from the Associational Camp Fund. The total expense for the week was \$2,649.23.

The camp staff would like the Association to consider the following recommendations as possibilities for the future.

1. That next year a camp for our youth, ages 15-17, be held in addition to the regular camp.

2. That the Association consider building a camp which can be used for many purposes.

Respectfully submitted, W. H. Lewis, Youth Camp Director

WITH YOUR ASSOCIATIONAL MISSIONARY

The closing of one year and the beginning of a new one, should not be "an ending and a beginning" but rather a CONTINUATION and most certainly an IMPROVING.

Beloved, we count not ourselves to have apprehended; but this one thing we do, forgetting those things which are behind, and reaching forth unto those things which are before, we press toward the mark for the prize of the high calling of God in Christ Jesus.

Your Associational Missionary has been greatly pleased through serving with programing and planning committees, advising building committees and pulpit committees, and providing pulpit supply and interim pastors for several churches. I stand ready to serve every church in every way possible.
